## "Preparation"

The care of an infant begins before its birth, as far as preparation for its needs are concerned. The range between necessities and luxuries for a layette is so wide that a list of the most necessary articles only is mentioned, and the mother must decide upon the quality and number of each of the garments.

Hands, shirts, pinning blankets, flannel skirts, night dresses, flannel or cashmere wrappers, dresses, blankets, booties, diapers, bibs and cambric or nainsook skirts are the essential articles for an outfit. Upon the quantity and quality of these garments and the additional bits of daintiness which every mother longs to add to her baby's belongings, will depend the cost of the outfit.

## WEST VIRGINIA FIGHT ENDS

Both Republican Candidates for Governor Agree to Withdraw.

### GOFF TO BE OFFERED NOMINATION

Federal Judge Who Has Not Been Connected with Either Faction Asked to Make Race.

NEW YORK, Sept. 5.—Nathan Goff of the United States circuit court of Parkersburg, W. Va., will be the republican candidate for governor of that state if an agreement is reached between the representatives of C. A. Swisher and S. C. Scherr, the present candidates for governor on rival republican tickets, is carried out. A contest between these two factions for the approval of the national republican committee, which was asked to determine which faction was regular, today ended in the announcement of the withdrawal of both Mr. Swisher and Mr. Scherr upon condition that Judge Goff be nominated. Judge Goff is said to be willing to accept.

It was explained that the judge had never been involved in any political controversy and that he stood high in the estimation of republicans in West Virginia, regardless of factional affiliations. It was declared that the nomination of Judge Goff, provided he would accept the honor, would immediately clear up the question of the nomination of the republican public party throughout the state. Republican leaders had been greatly disturbed over the possibility of continued strife in the party ranks, resulting in a democratic victory in West Virginia. But it was asserted today that the harmonizing of the two factions would undoubtedly once more place the state in the safe column.

At republican national headquarters today the statement was given out that both sides in the controversy had expressed their willingness to sacrifice personal interest in behalf of the republican presidential ticket. This was an indication that the Swisher and Scherr forces were endeavoring to effect a settlement among themselves and the announcement of their withdrawal in favor of Judge Goff quickly followed.

### HITCHCOCK CALLS UPON TAFT

National Republican Chairman Pays Visit to Middle Bass Island.

DETROIT, Mich., Sept. 5.—Chairman Hitchcock of the republican national committee, arrived here today from Indianapolis, and shortly afterwards left on Colonel S. J. Becker's yacht for Middle Bass Island, to confer with Judge Taft. He was accompanied by a number of Michigan republicans, including supporters of both Governor F. M. Warner and Auditor General J. B. Bradley in the primary fight, in which Governor Warner, it is now generally conceded, has won. It was reported that Chairman Hitchcock would use his efforts toward helping the two factors in the party to forget the differences which existed during the primary campaign.

### LUNT IN COLLEGE CAMPAIGN

President of National League Confers with Secretary Hayward.

CHICAGO, Sept. 5.—Alfred E. Lunt, president of the National Educational College League, arrived at national republican headquarters today and conferred with Secretary Hayward and began the college campaign for Taft and Sherman. There are some 300 clubs in the league, which was organized seventeen years ago and has worked actively in political campaigns. "The league has demonstrated its worth," said Mr. Lunt, "by changing the political viewpoint of college undergraduates. It was formerly largely democratic, but now becomes overwhelmingly republican."

### CHERRY OLD COUPLE Find Grape-Nuts a Blessing.

After one is seventy, the question of nourishment is a very delicate one. When old age comes on we do not need so much food as during the more active years, but the digestive organs are very sensitive and care must be exercised in its selection. No food has the strength giving properties and is so easy to digest by old and young as Grape-Nuts.

"For years I have been troubled with dyspepsia for one period, 3 years," writes our aged minister. "I finally began using Grape-Nuts and have had no trouble with my stomach, sleep perfectly well and strong, and though I am 71 years old I feel like a boy."

Then, too, my wife has been troubled for years with bilious and sick headaches. Since she began to use Grape-Nuts about 8 weeks ago, she has no further trouble.

"She is quite well and strong, much more cheerful and happy than in other years. Grape-Nuts and Postum occupy an important place on our breakfast table, and in our daily food. It would be hard for me to tell what we owe to Grape-Nuts."

"There's a Reason." Mr. Battle Creek Mich. Postum Co. Battle Creek Mich. "The Road to Wellville," in pkg.

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

Recent Circular of Holy Synod Arouses Storm and Marital Law Stops the Celebration.

ST. PETERSBURG, Sept. 5.—The circular addressed by the holy synod to all believers appealing to them not to participate in the celebration September 9, in honor of Count Leo Tolstoi's 80th birthday on the ground that thus to praise the opponent of the church would be a stumbling block to persons of weak faith, meets with approval from only a limited section of the press, and the public, the latter being represented by
