It's Quite Easy...

at the proper time to give teeth urgent care, viz., when decay first makes its appearance. Not to know the experiences that bad teeth cause, is not to allow a decay to grow and become larger.

JUST THAT FILLING that is needed now is easily put in, and the expense is comparatively small. Fillings that I put in, give patients pride in their teeth.

It will be a pleasure to tell you the exact condition of your teeth as well as their real needs.

Big Horn Country

Special Excursion Sept. 15

A personally conducted excursion of Landseekers will leave Omaha and Lincoln the night of Sept. 15 to inspect a large tract of irrigated land along the Big Horn River near Worland and Basin that recently has been thrown on the market at low prices on an easy terms; this section of the Basin is bidding strongly for a sugar beet factory; there are many well cultivated irrigated farms in this vicinity.

There is no failure of water in the Big Horn Basin; the supply from the Shoshone, the Greybull and Big Horn rivers is sufficient to irrigate 1,000,000 additional acres of land.

Write at once for details.

BARTLE WILL LEAVE OMAHA

Assistant Pastor of First Methodist Church Will Accept Independent Call.

Rev. S. D. Bartle, assistant pastor of the First Methodist church, will not continue in that position after the close of the present conference year, which is September 25. He has received three calls to independent pulpits and will accept one of these. But he will not know which one until the meeting of the conference at Stanton, September 25. The conference will be conducted by Bishop Robert McIntyre.

Mr. Bartle has been in Omaha a year, coming here from Iowa. His work has been regarded as quite successful and he has made hosts of cordial friends in and out of that church. During the absence of Dr. Loveland, the pastor, he has filled the pulpit and has done so with satisfaction to the congregation. He is a young man and he considers his experience in Omaha has been valuable to him. Rev. Mr. Bartle has traveled extensively, devoting much time to the Holy Land, and he has made good use of this experience in the way of lectures to his church people.

The official board of the First Methodist church will meet probably Thursday to decide on the matter of selecting a successor to Mr. Bartle.

FOUR BABES IN YEAR PLUS

South Omaha Woman Becomes Mother of Quartet of Children in Fourteen Months.

Anton Machal, 201 P street, South Omaha, and his wife are firm believers in the anti-race suicide campaign. April 20, 1907, triplets were born into this home and fourteen months later a fourth child, a boy, came. The triplets lived but three months, however, all of them dying with the whooping cough. The fourth baby is a husky lad and Dr. Kaial, the family physician, says it will take more than the whooping cough to tear down his natural strength.

Mrs. Machal is 39 years of age. Her husband is employed in the Omaha Packing company's plant at South Omaha.

The record of births and deaths for the day is:

Births—William C. Matthews, 1904 Miami street, girl; Ward M. Burgess, 122 South Twenty-second street, girl; Louis Hansen, 2106 Menderson street, boy; William H. Brand, 48 Bancroft street, girl; Lovell Duffin, 123 South Twenty-eighth street, boy; L. T. Flegie, 362 North Thirty-fourth street, boy.

Deaths—Catherine Borden, Omaha General hospital, 24; Hans A. Hellestrom, Omaha General hospital, 33.

A Fortunate Texas. E. W. Goodloe, Dallas, Tex., found a sure cure for malaria and biliousness in Dr. King's New Life Pills. 25c. Beaton Drug Co.
