OHIO MAN GUEST OF BANKERS

Former Governor Herrick Will Address State Association Next Week.

REPUBLICAN COMMITTEE TO MEET

Officers Will Be Elected at Session to Be Held Evening of State Convention—More of Mr. Bryan's Wealth.

(From a Staff Correspondent.)

LINCOLN, Sept. 13.—(Special.)—Former Governor Herrick of Ohio will speak at the meeting of the Bankers' association September 21-23, to be held in Lincoln. The Ohio man comes as the guest of the bankers and is on their program.

The state committee will endeavor to secure him for a speech at a political meeting to be held during his visit here, but up to this time it has not been done.

Local newspapers here have been advertising that Mr. Herrick is coming to make a republican speech against the guaranty of bank deposits under the direction of the state committee. This is about as near the truth as these Lincoln sheets ever get. Mr. Herrick comes solely and only as the guest of the Bankers' association and the state committee has had nothing to do with his coming.

If it can be arranged, however, Mr. Herrick will be the principal speaker at a political meeting in Lincoln and he will make a republican speech.

Chairman Keifer said this morning there is absolutely no foundation for the stories that Herrick is coming to denounce the guaranty of bank deposits under the direction of the state committee. The state committee is taking no part in formulating a state platform. Its only duty, Mr. Keifer said, is to see that the nominees of the republican party in this state are elected and that the state is carried by a big majority for the national republican ticket.

Meeting of Republican Committee.

The announcement that Vice Chairman Keifer had called a meeting of the republican state committee for September 28 was premature, Mr. Keifer has issued no call for a meeting of the state committee and will not for the good and sufficient reason, the rules of the committee provide that the meeting shall occur at the state capitol on the night of the convention. The rule fixing the time of the committee meeting is as follows: "Annual Meeting—The regular annual meeting of the committee shall take place at the state capital at 8 o'clock in the evening of the day of the state convention, at which meeting officers shall be chosen as hereinafter enumerated."

Chairman Keifer will issue no call for this meeting for it is fixed by the rules of the committee and he believes it not necessary for any further notice from him. It is impossible for him to issue a call now for the committee to meet the 28th, because he has no way of knowing who will compose the new committee which will be selected at the time of the state convention.

Last year the committee did not meet after the convention because a majority of the committee was not in town, so it was deferred and a meeting called by the state chairman later.

Inasmuch as the new officers of the committee are to be elected and take charge of the campaign, all members of the committee are urged to be on hand the night of the convention so that the work of the campaign under the officers elected can proceed without any further delay. Should a majority of the committee fail to be present on the night of September 22, a second meeting will have to be held, which will delay the organization of the new committee just that long.

Mr. Bryan's Wealth.

The statement of Mr. Bryan that he is worth only $120,000 has caused considerable comment around Lincoln, where it is supposed Mr. Bryan has a bundle of government bonds big enough to choke an ox. His assessment, including the property owned by Mrs. Bryan, was returned this year at $67,000.

According to officials at the court house who investigated, Mr. Bryan did not include any government bonds in his assessment schedule, though the law requires this class of property to be listed. Consequently it is believed Mr. Bryan has no government bonds.

The fact that Mr. Bryan made every cent he possesses out of politics, while many other good men in politics have grown poor, is considered remarkable.

In discussing his wealth, one man here who is acquainted with a number of men who hired Mr. Bryan to make a speech way back in 1897, a short time after he had been defeated for the presidency the first time, remember that he received for that lecture on bimetallism $1,006.45. That lecture was delivered at Carthage, Mo. Shortly after that, it is reported on good authority, he split $5,000 at the Wichita fair down in Kansas. That was when he first started out, after cancelling his engagement to speak for a syndicate at $1,000 a night. Down in Missouri, where the people said their prayers to Bryan after they got over feeling badly about his defeat of Dick Bland, he spoke at many places for $1 to $1.50 a head for those who previously had worked day and night to elect him to a $60,000 job.

HAPPY HOLLOW TWICE WINNER

Laurels and Council Bluffs Bankers the Victims.

After taking an interesting game from the Laurels by the score of 8 to 6, the Happy Hollow team waded into the Council Bluffs Bankers' Base Ball club team for eight runs, while the bankers were cashing in but three, and these on errors. Lyons pitched winning ball against the Laurels, and Ellis had the Iowans guessing throughout the game. Dow's backstopping and base throwing was fast and effective. Score, first game:

ROURKES LOSE BOTH GAMES

Furchner Has Champions at His Mercy and Blanks Them Twice.

TEAMS DO FINE WORK IN FIELD

Crowd is Largest that Ever Attended Game in Sioux City—Duckings Go Into First Place.

SIOUX CITY, Sept. 13.—Big Al Furchner had Pa Rourke's Champions at his mercy today, the locals taking both games of the double-header, 5 to 0 and 9 to 0, and going into first place in the race for the flag. Both teams fielded brilliantly. The Omaha players especially saved their pitchers from a worse drubbing by spectacular stops, throws and catches. Furchner war the hoodoo and pitched two wonderful games.

The largest crowd ever attending a game in Sioux City was present, 8,000 paid admissions entering the turnstiles. Ground rules were necessary with a hit in the crowd.

In the first inning of the first game Campbell hit out a two-bagger. Holmes bunted and was safe on Saunders' poor throw, Campbell scoring. The second run came in the fourth. Andreas and Welch singled, Shea bunted safe, Furchner forced Andreas at the plate, but Welch scored on Campbell's sacrifice fly to Dr. Welch. The third run came over the plate on another two-bagger by Campbell, when Holmes followed with a single.

Saunders was being hit hard and Manager Franck took him out to let Fisher bat for him. Ragan was sent to the slab in the eighth. The home team would not let up and went to Ragan fiercely. Granville got a base on balls and Andreas sacrificed. Welch doubled to center and Granville scored. Shea then hit out a two-bagger to left and Welch scored the fifth and last run of the game.

The second game was a walkaway for the locals. Furchner was so reliable Holmes sent him to the slab again. Hollenbeck took the mound for the Rourke men.

Campbell, the first man up for the Sioux, doubled over third. Holmes sacrificed. Green bunted safely, Campbell scoring. Green went to second on a passed ball. Weed was passed. Granville went out at first. Hollenbeck walked Andreas. With the bases full Welch doubled, scoring Green and Weed. Hall went in to pitch in the second inning and was slammed for three more runs. Furchner singled and Holmes and Green were passed. Then Weed's single, a passed ball and Granville's sacrifice fly scored three runs and cinched the game. Three more runs came in after this, Hall's twirling being of the yellow kind.

The game was called at the end of the sixth inning on account of darkness.

In only two innings of both games did an Omaha man get as far as third base. The final game of the season will be played tomorrow. Should Omaha win the teams will be tied for first place if the Sioux win they will have undisputed title to the championship.

PUEBLO WINS FROM LINCOLN

Two Games Played at Vinton Park, One Resulting in a Tie.

Lincoln, 2; Pueblo, 5.
Lincoln, 7; Pueblo, 7.

Lincoln lost one game and tied one with Pueblo at Vinton street park Sunday afternoon before about 1,400 Omaha fans with a small sprinkling from Lincoln and Atlantic, Ia. The games were transfered from Lincoln. The news of the Omaha games at Sioux City was received at the park by wire and announced inning by inning by Slats Davis, and the fans seemed to take more interest in the Sioux Cit games than in the games they were watching.

Lincoln was gradually stowing the first game away until the sixth inning, when both young Mr. Wasson and Jack Henry had a bad time of it. The result was four hits, four stolen bases, a man hit, two errors by Henry and four runs, which were enough to win the game.

Galgano, who had pitched the first game, was also sent in for the second, and was opposed by Winnebago Johnson. It was a game of ups and downs with the finish looking like Pueblo a two time winner, but Galgano was hit on his pitching arm and Lincoln crawled up from behind. It had been agreed to play but seven innings for the second game, but at the end of the seventh the score was a tie and two more were played. During the last two innings both Lincoln and Pueblo made three runs, which still left the score a tie, seven to seven at the close of the game.

DENVER IS EASY FOR DES MOINES

Nelson Gets Into Bad Holes, but Pitches Himself Out.

DES MOINES, Ia., Sept. 13.—Des Moines had little difficulty in winning from Denver today by the score of 4 to 3. Nelson got into one or two bad holes, but good pitching and an unassisted double play by Nichoff got him out safely. The playing of Cassidy in the fifth was the feature of the play today. He captured two hard flies after long runs. Zulusky did the batting for the visitors, swatting the ball to the fence for three bags at one time. The score:

Traveling Men Play at McCook.

M'COOK, Neb., Sept. 13.—(Special.)—The traveling men of the Palmer hotel played the traveling men of the Commercial and Monto Cristo hotels a one-sided game Saturday. The Palmer traveling men had their opponents outclassed in every stage of the game and they failed to score after the first inning, owing to the fast fielding of Standish, Hohl, Hiddleston, Nickel and Mann and the phenomenal pitching of Adams, who allowed but two hits, did not pass a man and struck out seven. In the third, with two men on bases, Cliff Hiddleston landed an electric welt for a two-bagger. Nickel followed with a single and Hohl bringing both in with a Texas leaguer over short. J. O. Hiddleston brought in Hohl with his second two-base hit. Biddy Doyle and Joe Robb are to be thanked for their kind assistance in meeting the boys at the plate with sponge and towel. The final score was 14 to 2 in favor of the Palmer hotel. Batteries: Monto Cristo, Wilson and McKay; Palmers, Adams and Mann.
