HOME RUN BY HOLMES WINS IT

Just for Good Meanure the Other Seven Scores Are Piled Up-Great Crowd Turns Out to Witness the Windup.

BIOUX CITY, Sept. 14-Manager "Ducky" Holmes walked to the plate in the third inning today and rapped out a home-run over center-field fence, winning the game and the Western league pennant for 1908. That run proved sufficient for all practical purposes, but in the subsequent prothe followers of Holmes accumulated seven additional runs.

Hollenbeck was hit hard after the first inning, and Rhodes went to the firing line in the seventh, but fared even worse than his predecessor. The redoubtable "Buck" Freeman, with the able assistance of his pals in the field, kept the Omaha bunch from connecting with the home plate, making the third shut-out administered by the Sloux tribe in two days.

Business was practically suspended during the game, most of the stores closing at 2 o'clock, and more than 5,000 fans rooted Sloux City as strenuously as the athletes played. Austin was the first man up for Omaha, and got his base on balls. King hit a dinky Pueble little fly into the infield and Granville narrowly missed getting it. HOW THE PITCHERS MADE IT

Many of His Games.

Pat Ragan pitched more and won more games this season than any other Omaha pitcher. But these figures, like many others, are deceptive; they do not tell the whole truth. Ragan pitched many sames where base bell luck cut a wide swath. Sanders, on the merit of his pitching, lost games that he should have won. He pitched in more close score games lost by the Rourkes than any other pitcher. At least six of those twelve he is credited with having lost were lost by no fault of his but in spite of excellent pitching on his part. Rhodes got out of many holes by the timely assistance of the team behind him. His wildness was against him many

woted his attention mostly to the back field, and his methods were certainly up to date.

Many of the nice points of the back field can hardly be so clearly defined that one can prasp them at first hearing. The lanky coach, realizing this fact, stepped into his old positions at full and half an showed the boys how to turn the trick. There was no need to urge them on, in fact their principal difficulty was in being over anxious to make a good showing in the presence of the coach.
