with Difficulty.

NEW YORK, Sept. Is.—Swooping down into a crowd of persons who were watching a recent base ball game near Port Richmond, S. I., an American eagle attacked John Pollackson, 8 years old. A group of men set upon the bird and George Pollackson, father of the boy, ran to his home, procured a shotgun and, returning, killed the eagle.

The ball game was in full swing and young Pollackson was stretched out on the ground absorbed in the contest when the eagle descended and planted its claws in his reck. The boy yelled and the lad's inmediate neighbors tried to grasp the eagle. This was no easy matter, but several of the men finally contrived to release the boy and to catch the eagle by its taions and hold it until Mr. Pollackson returned with his gun. The eagle measured seven feet six inches from tip to tip. Young Pollackson was not injured beyond a few scratches.

Pittaburg Defeats Philadelphia.

PHILADELPHIA, Sept. 15.—Philadelphia's hard hitting today was more than offset by its bad fielding, and Pittsburg won, by 8 to 5. Corridon outpitched Maddox by a bigger margin than the score shows, four of the visitors' hits being of the scratch variety and being bunched, with battery and fielding misplays of the home team. In the sixth inning Pittsburg scored two runs without making a hit, Philadelphia being charged with four errors. The home team made a big bid for victory in the ninth inning. Courtney led off with a two-bagger, and two outs followed. Grant scored Courtney with a single, and Knabe's double brought Grant home. Clarke ended the game by pulling down Titus' drive to left center. Wagner stole four bases, his work in this respect being a feature of the game and greatly aiding his team in winning. AMES, Ia., Sept. IL—(Special.)—It has been rumored around among the students that Hiram" McElhinney, star end and captain of last year's champtonship foot ball team, would still be eligible this fall. This rumor no doubt arose from the fact the McElhinney has been upon the field for the last few days in foot ball attire and has spent the time running with the men. If McElhinney could take up his old position at right end again this year Ames' prospects for a championship team would certainly look bright, but the case is hopeless for the "greatest end in all the west" has played his last game of college foot bail. During the earlier part of the term Ames' prospects for a team were at their senith on account of the new Missouri valley conference ruling. However, developments of the last few days have brought to light the fact that Ames will not be nearly so much benefited by the new interpretation of the rules as was at first supposed. It is true that Nelson is back in the game and will be a fast man at his position and Jeanson will also play, but neither Lampman nor Thayer will be back for their places at guard and center, and Brugger, last year's tackle, cannot be induced to get out for the team.

The teams are running signals some and are being run in different squads and formations, the coach evidently endeavoring to get the men lined up for the position where they will play to the best advantage. The first game with Morningside is only two weeks away, so it will not be long before the usual scrimmage with the scrubs will be begun.

Reppert will be back into the game again as soon as he can get a suit. Hubbard is doing fine at quarter this season. He passes the ball prettily and is fast on re-J. Travis of national and international fame in the first medal play round of 18 holes, yesterday opened the fourteenth annual championship tournament of the United States Golf association on the Garden City links. Both went around in 79, but the young player from Illinois deserves just a little bit of extra credit inasmuch as he had to face a stiff breeze from the first tee, while the wind had mederated when Travis teed off one hour and a half

later. Next to these two came Jerome D Travers, the title holder, and Findlay S. Douglas, who wen the honor at Morrisown, N. J., just ten years ago. Travers and Douglas tied with 89 each, while Eben M. Byers of Pittsburg, who won the titte at Englewood in 1896, qualified for a continuance of play tomorrow with a round

shown by him in recent practice rounds, and a better card than 79 was expected from him, as he had a 73 last week and holds the record of @ for the course. Today's play consisted of 18 holes meda

play and sixty-four men qualified for s similar round tomorrow. The players with make the thirty-two best scores for the thirty-six holes will qualify for a match play at 18 holes for the championship, and this round will take place tomorrow afternoor

Reppert will be back into the game again as soon as he can get a suit. Hubbard is doing fine at quarter this season. He passes the ball prettily and is fast on returning punts. Jeanson was practicing on the drop kick this afternoon. Last year the need of a good drop kicker was greatly felt in all of the games and especially in those with Nebraska and Minnesota. Could Ames have had a drop kicker such as Capron of Minnesota last fall she would have undoubtedly beaten Minnesota's score as well as that of Nebraska. Out of the number of men who are out for back field this year there does not seem to be any exceptional drop kicker among them. On each of the others the survivors will meet in match play rounds of 36 holes each and the finalists will fight it out on Saturday.

Eleven men tied for the last seven places with 91 each, and they played off one hole, seven doing it in five and the others in sixes or worse. The losers were Robert Weir, Wilmington; Clinton M. Hall, Midland, L. I.; George

T. Brokaw, Garden City, and A. C. Scully, Chicago.
