We have the right to desroy a packer's property; but we recognize his right also to know why we do it. In early days of our inspection government men were officious and possibly arbitrary, but it is coming to be the rule that reasons be given whenever demanded. This saves many jars and disputes. The packers used to kick on all inspection, but it is reversed. They kick most vigorously for it. It is made one of the greatest arguments to secure patronage nowadays."

Hog Prices Going Up. Since September 1 the average price of hogs in South Omaha has climbed almost daily from \$6,43 to \$3.90. Receipts have been rather light, as indicated by this week's statistics. Only 12,000 head have been received since Monday. Tuesday and Wednes-

Do Away With Dyspepsia, Stomach Trouble and Make Meals

mon sense—is this thing called Dyspepsia.

Take away, by abuse, over-eating, excesses and high living, the things which the stomach needs and you have dyspepsia and indigestion; then other maladies follow these—this is common sense.

The stomach is willing enough, but you won't let it do its work. You take away the materials which are so necessary for it.

CRESTON—The citizens of Red Oak are making their initial effort to open a public library building. Over a year ago a tax was levied for the maintenance of a Carnegie library building. Architects are now at work upon plans for such a building snd it is hoped before snow files to bave it about completed. The new building will not be waited for, however, as a room has already been opened and the circulation of books will begin at once.

the materials which are so necessary for it to use.

Give back these materials and dyspepsia and indigestion flee and the whole machinery of man begins slowly to move and do its work.

What the stomach needs is nerve force, fluids for its digestive glands, nourishment and power. All these necessities it takes
