If this takes place it will have to be with the consent of the Pacific Coast league, which claims Ats. ss. most of the territory now occupied by the former. It will be recalled that cities like Sacramento, San Jose and Stockton were awarded to the senior organization a Edmondson, cf. swarded to the senior organisms. From a reliable source it was "Gates learned that the Pacific Coast league would offer no objection to the California league Sacramento. If the California league is made a "regular" it will mean that salaries will be reduced all along the line. The pay-rolls of nearly all the clubs are out of proportion to their incomes. There are players receiving as much for playing one or two games a week as there are in the Pacific Coast league for playing six and seven. How long clubs can meet this expense is a question. Friends of organized base ball urge that the clubs would have larger profits if they ceased to become outlaws for in addition to reduced salary rolls they would realize handsomely on selling talent each year.

TRAVERS RETAINS GOLF TITLE

National Amateur Champion Easily Defeats Max Behr.

GARDEN CITY, N. Y., Sept. 19 .- Jerome D. Travers of Montclair, N. J., has defended his title of national amateur golf champion against a field of 133 starters, and he will retain the honor for another year, as he won out by 8 up and 7 to play from Max H. Behr of Morris County, N. J., at the Garden City club's links this afternoon Throughout the week's play the young champion was in excellent shape and played the best golf of his life every day. Travers was a prime favorite today in the final as the experts figured that Behr could not set a pace fast enough for him. Travers made several mistakes, particularly or his tee shots, but he invariably made fine recoveries and at the close of the first half 4 (18 holes) he was 5 up, without showing any signs of weakening.

ers always had a bit in reserve when necessary, all through the second half, winning out on the twenty-ninth hole by 8 up and ? to play.

He was the coolest looking person among the hundreds of golfing enthusiasts who crowded around the home green when President Chauncey of the United States Golf ssociation was ready to present the prizes. The former champion, W. J. TAYLOR'S TEAM OF "MANAGERS" Roster of Men Who Have Not Made Good in Boston.

BOSTON, Sept. 19.-At the rate John Taylor has been hiring new managers fo his Boston club he will soon be able to make up a team of ex-managers, for in two years he has had seven leaders. Jimmy Collins quit in disgust. Chick Stahl took the reins under protest and committed suicide for unknown reasons on the southern trip. Cy Young acted as manager for a while, but refused to continue. Then George Huff of Illinois university was signed. He stayed for breakfast and beat it back to his western school. Bob Unglaub succeeded him, and he, too, Jim McGuire was obtained.

McGuire took a club that was the rankest failure in the league and made it one of the best. On paper his team shows no strength, and yet he had them hustling and trying all the time, so that they were0 0 0 0 0 0 2 0 0 4-6 and trying all the time, so that they were0 0 0 0 0 1 1 0 0 0-2 the most feared players in the league. The prospects are bright for a successful year in athletics also, and for the last three days a large foot ball squad has been out undergoing practice under the direction of Coach Murray, a former star tackle at Williams.
