## THE STOETZEL STOVE CO.

714 South Sixteenth  
We Sell on Small Monthly Payments or a Cut Price for Cash.

Now that the intelligent portion of the women who were caught by sheet iron range canvassing fakirs are catching on to how they are being film-flamed, ranges are going back by the dozen. We sell the Queen every day to women who were too intelligent to be duped on \$25.00 tobacco prize ranges at \$5.00 to \$60.00.

The Detroit Ideal is proving its superiority over other gas stoves in such a way that people who know what it will do don't consider other kinds when they buy.

Mr. Boyer, 2019 Grace, an old resident of Detroit, came to our store this spring and bought a Detroit Ideal. After he had bought it he said: "I lived in Detroit nearly all my life and know what this stove is. There it has the reputation of being the best gas stove made."

Mr. Bulger, 1411 Center, says: "We never had anything in our house that we so thoroughly appreciate as our gas stove. Not only because it is such a beautiful baker and worker, but it does take less gas than others. Last month our gas bill was only \$2.60, and we did all our washing and ironing, baking and cooking, besides preserving nearly all month. Our neighbors envy us because we have so good a stove."

Mrs. Graff, 1116 Dominion, came to our store August 1st and bought a range. After she had bought it she said: "A canvasser left a range at my house on thirty days' trial. After trying it three days and comparing it with ranges my friends bought here I told him to come and get it."
