### Item Welcomed by Many Men

This recipe can be filled at home, so that no one need know of another's troubles, as the ingredients can be obtained separately at any well stocked drug store. They are in regular use and many different prescriptions are constantly being filled with them.

This will prove a welcome bit of information for all those who are overworked, gloomy, despondent, nervous and have trembling limbs, heart palpitation, dizziness, cold extremities, insomnia, fear without cause, timidity in venturing, and general inability to act naturally and rationally as others do, because the treatment can be prepared secretly at home and taken without any one's knowledge.
