White Sox Win Fast Game Played in Drizzling Rain,

CHICAGO, Sept. 27.-Chicago shut out Boston here today, 3 to 0. A drizzling rain fell throughout the game, but Sheridan made the players continue. Opportune hitting in the opening laning, coupled with a pair of errors and a stolen base, gave the locals two runs, and another came in the next inning as result of a base on balls and a triple. DETROIT, Mich. Sept. 27.—Detroit went back into the league lead by batting Philadelphila in their final meeting. Both pitchers did goed work, the difference in the base running largely deciding the result of the contest, with the added fact that Mullin was better supported. Owing to Sunday ball conditions existing here, the club getting no police protection for these games, the gates were closed at 2:30, and several thousand persons were turned away to prevent the trowd becoming so large as to be unwieldy. BELLEVUE SHOWS POOR FORM Wins from Council Bluffs High School, However.

Bellevue played its first practice game Saturday against the Council Bluffs High plowing, little of which has been done. school eleven. The final score was 10 to 5, in favor of the collegians. Neither team played good foot ball. The college team did not play with the snap that has characterized it of old. All the new men were tried out and the game used as practice entirely.

While the Bluffs team did not have individual players equal to their opponents, they nevertheless by doing consistent work made some good gains. The team did good work at making interference and playing together.

There is plenty of material on the Bellevue squad and it will make a winning team with a little more practice. The season of '07 began with almost a similar game and the collegians later wound up the most satisfactory season ever played here. When the machine of them new, learn their positions and work together, things will begin to move. All the men lack the old-time kicks. All gains were made on line bucks or long end runs.
