St. Mary's Blankets

When Blankets are made of ground-up old clothes or wool underwear they may be classed in as "Wool Blankets," but they certainly are not the blankets that you would expect to give satisfaction. The reason that wool blankets made by the St. Mary's Woolen Mills give such excellent service for years and years is because the wool used in them is not ground-up wool about one-fourth inch long, but the best first-hand wool from four to five inches long. We recommend St. Mary's Wool Blankets because they will prove the cheapest blankets

South Dakota Democrats Try to Clear Themselves. MITCHELL, S. D., Sept. 30 .- (Special Tel-

It was announced today that Grenville Jones, one of the leading speakers of the democratic campaign, had issued a challenge to Governor Crawford to meet him in open debate on the issues be tween the parties.

The governor attacked Jones in a speech at Plankington a few days ago which has stirred the democrats to a point of retaliation, hence the challenge. In the statement Jones charges the governor with conducting an extravagant administration and the legislative session with being subordinate to monopolistic influences in declining to pass measures which the plain people desired.
