HANDIER AND CHEAPER
THAN KEEPING A DOG. \$3.50

The Best Gun the world ever saw. Shoot both SHOT AND BALL. Cost U. S. \$16.00 each. U. S. Cost Uncle Sam \$16 to manufacture. Unloading them for \$3.50 each. They shoot shot as well as rifle ball. This is probably the best military rifle the world ever saw. This style was put in the hands of the troops of the army and were continued in use until after the close of the Spanish war. The militia were armed with this rifle up to a year ago, and in consequence of the issue of the new smaller bore Krag rifle, the Government ordered the sale of them. This style rifle went through Indian wars from 1870, and is the only gun the Indians ever feared. They are still used in the Philippine Islands by the Scouts and Constabulary. Which is proof, nothing is better for the hunter, farmer, sporting man or home protector. Price \$3.50.

Money refunded after trial is not wanted.

BALL AMMUNITION 2 CENTS EACH, OR 40 CENTS BOX OF 20.
BIRD SHOT AMMUNITION, 3 CENTS EACH, OR 60 CENTS BOX OF 20.

Sighting, Accuracy and Ammunition Particulars.
The guns are sighted for 2,000 yards, or over one mile, and there is no gun made that is more accurate or serviceable. At 50 yards five consecutive shots can be kept in a circle that a quarter-dollar will cover. For killing big game this rifle is far superior to the new small bores, such as 30-30 Rifle Ammunition—for these Springfield Rifles use the regular 45-70 cartridges; they are center fire, the charge being 70 grains of black powder, size F. G. The SHOT cartridges are also made in smokeless powder, high velocity type, by all manufacturers, and if any gun firm has not them on hand, just tell them to get them for you, as will see in catalogue of cartridge companies the shot and ball ammunition are made and sold by all manufacturers.

TELEGRAPH IS RESTORED

Missouri Pacific Does Not Wait for Official Order of Board.

TRAILS OF CANDIDATES CROSS

Rumor Has It Charles E. Magoon May Have Place in Cabinet Under Taft After the Fourth of March.

(From a Staff Correspondent.)
LINCOLN, Neb., Oct. 1.—(Special.)—Rather than have an order issued against it the Missouri Pacific railroad today began to reinstate its telegraph service at its depot at Wabash. The railway commission permitted the company to try telephone lines instead of telegraph, but the citizens of the town objected to the lack of privacy in the telephoning of board of trade and other commercial messages. The commission recently informed the railroad that it must show cause by tomorrow why an order should not be issued reinstating the telegraph service. Word was received today through the Western Union Telegraph company that the work of reinstatement has commenced. The company has restored telegraph instruments in several stations in Nebraska.

Candidates Cross Trails.
Taft and Bryan crossed paths today in Lincoln but the rival candidates were not permitted to discharge greetings, although both were willing. Taft spent the night in Lincoln and departed before breakfast for southeastern Nebraska to continue his tour. Bryan reached Lincoln at 4 a. m. and immediately retired at a hotel. He was up early but too late to visit the Taft train before its departure.

Bryan is in splendid health and in the liveliest member of his party, despite the fact he has just finished a strenuous campaign trip of nearly four weeks. While Taft is having trouble with his voice, Bryan's was never better.

Bryan hurried to Fairview this morning to deliver into the mountain of correspondence which his piled up on him during his eastern tour. Today he is preparing a reply to Taft's statement of last night on the campaign platform question. The Bryan pronouncement will be forthcoming tonight. He will rest up at home for the next few days before going to Chicago for the waterway banquet on October 7.

Today he announced his purpose to spend most of the last week of the campaign in the east, but his dates are not yet complete.

Mr. Bryan's particular anxiety to reach home today was on account of the fact that this is his twenty-fourth wedding anniversary.

Magoon May Be in Cabinet.

Will the next secretary of war be a Lincoln man in case of a republican national victory?

This question has occurred to a number of politicians here since William H. Taft's visit. The name of Charles E. Magoon, governor of Cuba, was brought into Taft's speech at the Auditorium last evening in a very complimentary way, though no reference was made by the candidate to any appointment in his cabinet should he become president. The talk connecting Magoon with the place is more of a conjecture, but nevertheless it is believed that he stands a good show of elevation to the war portfolio, formerly held by Taft himself, as the logical man for the place.

O. Whedon, who is a strong friend of Magoon, went to Sioux City to meet the Taft special. On the way to Lincoln he talked with the nominees. For President were Taft and Magoon, and for Vice President were Taft and Magoon. Magoon's work in the Panama canal zone, Cuba and elsewhere has been performed under Taft's supervision as secretary of war. He was appointed to the governorship of Cuba on Taft's recommendation.

Luncheon for Bede.

A luncheon was given to Congressman J. Adam Bede of Minnesota at the Commercial club rooms today by several members of the organization. Among those present were President W. E. Hardy, John W. McDonald, Paul Holm, Lincoln Frost, M. W. Folsom, R. W. Folsom, Congressman Bede, Secretary W. S. Whitten, Congressman Bede entertained them with some of his stories and in reference to his late defeat for renomination philosophically remarked that he supposed it was for the best.

WEST NEBRASKA CONFERENCE

Methodists Meet for Discussion of Church Affairs.

GOTHENBURG, Neb., Oct. 1.—(Special.)—The twenty-fourth annual meeting of the West Nebraska conference is now in session here. The opening services were held on Tuesday evening. Addresses were made by Birkhofer, mayor of the city, by Mr. Kelly, and by Rev. B. F. Galtner, Dr. J. W. Morris, preached on "The Secret and the Unseen." The annual conference sermon was preached Wednesday morning by Rev. W. S. Porter.

A sacramental service was led by Bishop McIntyre, who presides. The roll called showed a good attendance. The following were elected officers of the conference—each selecting such assistants as he needed: Secretary, B. F. Eberhart; secretary for statistics, A. W. James; treasurer, T. M. Ransom. The usual standing committees were appointed.

There have been a few changes in the membership of the conference. Three have died, Allen Bartley, H. H. York and R. R. Fletcher. Three have been transferred to other conferences: C. Powers, H. C. House and E. B. Crippen. Six came in by transfers: J. W. Seabrook, W. C. Harper, J. C. Lemon, E. H. Mayner, W. S. Hankins and J. W. Custer.

D. C. Wilson, superintendent of Holdrege district, read a report of the work on that district. The pastors in the district then reported the collections for benevolence on their charges. Rev. L. H. Shumate, superintendent of Kearney district, reported the work of the district, and the pastors reported their collections.

Congregationalists Close Session.

MCCOOK, Neb., Oct. 1.—(Special.)—A two-day session of the twenty-ninth annual meeting of the Republican Valley association of Congregational Churches closed here this evening. Pastors and delegates were present from all over the valley and a profitable meeting was had. The new officers are: Rev. Alexander Simpson of Cambridge, moderator; clerk and treasurer, Rev. N. H. Hawkins of Palsade. The next meeting of the association will be held in Franklin, second Tuesday of April. Hereafter but one session will be held and that one in the spring. Herebefore both spring and fall meetings have been held.

Farmer Loses Drafts.

SEWARD, Neb., Oct. 1.—(Special.)—The farm home of Jacob Imb, near Seward, was looted yesterday in daylight while women of the family were at work in the rear part of the house. Drafts worth \$1,000 and \$5 in cash were taken. An agent, who had visited the place during the day, was arrested, but there being no evidence upon which to hold him, he was released. No other strangers were seen in the vicinity during the day.

Taft Club at Millard.

MILLARD, Neb., Oct. 1.—(Special.)—Taft club was organized here last night with a membership of 121. Colonel J. H.

Presson was elected president, Harry Lappley, vice president; L. O. Howard, secretary, and Dr. H. Wortman, treasurer. The club was addressed by Senator Dimery and Mr. Magee.

O'CONNOR QUILTS CANAL ZONE

Nebraska Educator Returns to Lincoln to Live.

NORFOLK, Neb., Oct. 1.—(Special Telegram.)—D. C. O'Connor, formerly school superintendent here, has resigned as superintendent of education in the canal zone, effective today. He has returned to Nebraska and will live in Lincoln.

Nebraska News Notes.

BEATRICE—Richard Kretzinger, son of Judge and Mrs. E. O. Kretzinger, had his left shoulder blade broken yesterday afternoon while taking part in a practice game of foot ball.

AINSWORTH—Today is the first of the Brown county three day fair and the display in the floral and agricultural halls exceeds any former fair. There is more display on the grounds now than has ever been during former fairs.

PERU—The canning factory at Peru is now running to its full capacity. Its product is crated in boxes manufactured by the Peru box factory. A great saving is made in this way, so that the farmers get better prices for their tomatoes.

PERU—The weaver worms which were threatening serious damage to the Normal campus by cutting off the branches from the elm trees have retreated since the recent rains. The worm is now in this vicinity and it is hoped that this will be its last visit.

The increased attendance at the Normal made necessary the placing of 100 additional seats on the main floor of the chapel. The junior class alone has a membership of 190. Prof. J. W. Searson will deliver an address on art under the auspices of the public schools at Auburn tomorrow night.

BEATRICE—Following is the mortgage report for Gage county for the month of September: Number of farm mortgages filed, 9; amount, \$2,881; number of farm mortgages released, 13; amount, \$30,300; number of city mortgages filed, 30; amount, \$1,100; number of city mortgages released, 25; amount, \$19,070.

DAVID CITY—The city council last evening awarded to Lanna & company the contract for the construction of sewers in sewer districts Nos. 1, 2 and 3. The bid was \$115,000. This company is now working on the main sewer system and as soon as completed will commence work on district sewers.

BEATRICE—An informal reception was given last evening at Centenary Methodist Episcopal church in honor of Rev. G. G. Brown and R. E. Orrill and their families. This marks the beginning of Rev. Brown's third year as pastor of the church and Rev. Orrill's second year as superintendent of this district. There was a short program, and Mrs. A. W. Nichol delivered the address of welcome, which was responded to by Revs. Brown and Orrill. There was a large crowd in attendance.

THROUGH ON HIGHWAY

(Continued from First Page.)

from the statement that the Burlington alone had seven special trains out of Lincoln Wednesday night after the Taft meeting. These special trains were well filled and it is thought the Taft meeting kept many from the South Platte country away from Omaha.

The Burlington handled more people from eastern Nebraska, western Iowa and northern Missouri than ever before, but showed a slight loss from Lincoln, although at that over 800 came on special trains from the capital city. The Northwestern had four crowded specials out of Omaha after the parade, the Illinois Central and Great Western one each and the Rock Island took out 1,000 people in both directions. The Missouri Pacific brought in all the people who could crowd into the coaches and baggage cars.

BANKERS OPPOSE GUARANTEE

(Continued from First Page.)

answer to this question, and no law could be spread upon the statute books more fraught with mischief than a law for enforced guarantee of bank deposits.

"Let congress provide a means whereby perfectly solvent banks with good liquid assets can obtain currency with the same facility as banks in other great commercial nations, and they will have gone far toward the prevention of panics."

In the election of officers, George M. Reynolds, present vice-president, is scheduled for president and Lewis E. Pierson, present chairman of the executive committee will be elected vice-president. The executive committee will undoubtedly re-elect the secretary and assistant secretary, but the choice of treasurer is still in doubt.

George M. Reynolds of Chicago invited the association to meet in Chicago next year, and the invitation was accepted.

The report of the currency commission shows that some progress was made before congress. While it does not wholly approve of the Aldrich-Vreeland measure, it states that the new law is in the direction of progress. No bill was suggested in the report, but the commission declared that the bill it proposed to the last session was, in its opinion, the best bill that could be proposed.

Formal Resolution.

The legislative committee submitted the following resolution:
Resolved, That the American Bankers' association is unalterably opposed to any arbitrary plan looking to the mutual guaranty of deposits, either by a state or the nation for the following reasons:
1. It is a function outside of state or national government.
2. It is unsound in principle.
3. It is impracticable and misleading.
4. It is revolutionary in character.
5. It is subversive to sound economics.
6. It will lower the standard of our present banking system.
7. Productive of and encourages bad banking.
8. It unjustly weakens the strong and unfairly strengthens the weak banks.
9. It discredits honesty, ability and conservatism.
10. A loss suffered by one bank jeopardizes all banks.
11. The public must eventually pay the tax.
12. It will cause and not avert panics.

The legislative committee also reported adversely on the proposed establishment of postal savings banks, saying "no bill has been presented which would really prove beneficial to the country."

HALF-MINUTE STORE-TALK

The fact that this is the largest and best equipped clothing store in the middle west would in itself be no reason for expecting your patronage. But take this fact together with the fact that the values we offer and assortment we have to choose from are even greater than the store are excellent reasons for expecting you to come here for your clothes.

at the residence of George W. Winship, 2313 Franklin street. The ceremony was performed by Rev. G. H. Schlen, D. D., in the presence of a number of relatives and invited guests. The wedding music was played by Mrs. G. H. Schlen, and the ceremony an elaborate wedding supper was served by Mrs. George H. Winship. Mr. and Mrs. Van Gundy will reside in Des Moines.

Hartman-Schneiderwind. Miss Louise Schneiderwind, daughter of James Schneiderwind, and James Hartman were married by Rev. Charles W. Savage Wednesday at 4 p. m. at the home of the bride's parents, Fifty-fifth and William streets. They were attended by William Hartman and Miss Anna Mank. A wedding supper was served to a company of invited guests. 1908-10 Harney street. In the center of this large window is the VELVETINA "Makes Velvety Skin" TOILET SPECIALTIES. There are nine of them, one of each being used in spelling out the big word VELVETINA. The Goodrich Drug Co. confidently claim that no other toilet goods are as good as the VELVETINA for they have perfected them from the thousands of daily reports of actual use and experience of practical work and demonstration, possible only with their PERSONAL WORK PLAN of advertising. In this way they have made them perfect, and already have the names of more than fifty thousand ladies on their files who are satisfied users of VELVETINA goods, having found them far superior to all others. The balance of this window is filled with other trademarked goods of this company, consisting of "Goodrich Quality" Perfumes and household preparations and the Nebraska Family Medicines. This display does not comprise anywhere near all the goods manufactured by this company. Two ladies are now in the store giving free information and advice how to use toilet goods and the kinds needed by each individual person to get proper results.

General J. E. Summers.

General J. E. Summers died at his home at Atlantic City, N. J., Thursday morning and will be buried at Arlington Saturday afternoon. His son, Dr. J. E. Summers of Omaha, and Mrs. Summers were at his bedside at the time of his death. Mrs. George A. Hoagland, mother of Mrs. Summers, returned Thursday from Arlington. General Summers had been sick for about ten days.

John H. Dick.

BLAIR, Neb., Oct. 1.—(Special.)—John H. Dick, aged 73 years, died at the family residence in this city this morning of
