HELP WANTED-MALE

Miscellaneous-Continued.

YOUNG MEN:
How can you get ahead in the world if you spend all your wages?
In the Navy the pay is good and the chance to save has been the making of many a young man. All kinds of work, including many trades, make life in the Navy interesting and enjoyable.

The intelligent man thinks of what he saves and not what he gets. The careless man wastes his money on pleasure. In the Navy there are interesting cruises, minarrel shows, athletic games and plenty of time for recreations all the year around which cost little or nothing.

In the Navy your pay is practically all clear.

If you splist without a trade you get such low PLACE TERS to borrow money. NO PLACE where you get such low rates—and a fair, horsest deal.

If you know a trade you get higher wages to be a chance the start with the armetric has a chance If you know a trade you get higher wages
to begin with; the apparatice has a chance
to make himself a master at his trade.

Life in the Navy is not all work. There
are many interesting lessons and drills;
there are also generous hours free for
recreation, study or sport. Most ships have
base ball and foot ball, rowing crews, minstreet traveres, etc.
