of the Easterners Win All, Their Three Games from Boston They Will Just Even Up with Chicago.

CHICAGO, Oct. 4 .- Pittsburg was today diminated from the National league pennant race when Chicago scored a 5 to 2 victory before a crowd which was doelared to be the largest which ever paid to see a game of base ball in the world. Today's game was the final one of the season for Chlcago and Pittsburg, while New York has three more to play, all with Boston. If one of these games is not played by reason of the weather or for other cause, or if Boston wins one the pennant will go to Chicago for the third successive year. By winning all three New York will exactly equal Chicago's percentage of .641. Tonight Chicago leads the league with .641, Pittsburg is second with .636, and New York, which not play today, is third with .633.

The story of the victory is a simple Chicago garnered twelve hits off one. Willis, while Brown allowed Pittsburg but seven. The contest was cleanly waged throughout. The umpires' decisions were questioned only once, and this in orderly fashion, despite the insuppressed excitement under which the players worked.

President Murphy of the Chicago club announced the paid attendance at 30,247. This, Mr. Murphy said, was the largest attendance ever present at a game of

TAKIO, Mo., Oct. 4 .- (Special Telegram.) -On a perfect field yesterday Tarkio college showed unexpected snap and strength in its first college game and defeated the strong Nebraska State Normal of Peru, 31 to 0. Peru, although outweighing Tarkio, was outclassed at all stages of the game. With five new men in the lineup, Tarkio

rooters were fearful of the veteran Peru two heats. team, which held Nebraska State to 20 points on Saturday last. Coach Shahnor of the Normal was confident of winning the game because of the outcome of the Nebraska State game. State Normal made distance only three times. The Normal's center, the big Swede, could not star in today's game, as 'Tarkio's center, Henderson, was a match for him. Both played a desperate game to the close of the last half. The two teams both played hard, fast foot ball, and Peru, although defeated, stuck to the game and played it out. The game opened at \$:15 by Peru kicking south to Tarkio, which returned the ball fifteen yards. By a series of line bucks by Murray, end runs by Morrow, Gowdy and Bowman, and forward passes to Withrow and Davis, Tarkio marched without losing the ball for the first touchdown after five minutes of play. Goal was not kicked.

Tarklo now kicked to Normal, who were downed in their tracks. Normal lost the ball on downs and Tarkie, by tackle plays and end runs, scored a second touchdown. Goal kicked by Bowman. Normal received

BRIGHTON BEACH RACE TRACK, M , Oct. 3 .- Amid the wildest scenes Georg, Robertson, driving simplex car No. 6 flashed across the finish line at the Brighton Beach race track at 10:30 o'clock tonight, the winner of the second international twenty-four-hour automobile race of the Motor Racing association. Harry Cobe, driving a fifty-horse-power Loxier machine. was second, and Montague Roberts, at the wheel of a seventy-two-horse-power Thomas, was third. Six cars finished, all of them being Americans. The foreign cars, two French and two Italians, were put out of the contest by accidents, as were three American cars. The final score was: No. 'Make. Drivers. M O-Simplex, Robertson, Lescault. 2-Loster, Cobe, Mulford 5-Thomas, Roberts, Winter 11-Allen-Kingston, Lahwell, Papperday, 5-Cleveland, Chevrolet, Millen 4-Stearns, Laurenth, Marquis Miles 630 The best previous record was 1,107 miles. The struggle for second place threw both grandstands into the wildest tumult. Roberts, driving like one possessed, again and again caught up with and passed the Logler car, driven by Cobe, cutting down the latter's lead from nine to four miles in the twenty-third hour. But Roberts' car

could not stand the strain and just, as it seemed as if second place was his, the motors went wrong and he had to retire to his camp for new rubbers. When he returned to the track the Logier car had improved the opportunity and the gap between the two was eight

miles. At this juncture the referse ordered the Cleveland and Stearns cars to turn in and give the leaders a clear field to finish the race.

One Dead, Five Hurt,

One dead, five injured, half a dozen costly racing automobiles smashed into worthless masses, speed records for a circular track shattered-this tells the story of the great twenty-four hour automobile race, which ended at Brighton Beach race track tonight. As the nerve straining contest drew to a close a browd of more than 30,000 persons gathered at the little race course by the sea. There was excitement a plenty from start to finish of the race, for hardly an hour went by without an aceldent happening.

The terrific speed maintained by the racers out the soft track into deep ruts and every now and then the automobiles would swerve into the low fences.

There was keen disappointment' in the crowd this evening, when car No. 5, a f Renault driven by the team of Strang and Rasia was put out of the race by a mishap. Almost from the start, the Renault had been the contender for first honors, being on equal terms and sometimes ahead of car No. 6, which car during the closing hours of the race was fifty or more miles ahead of the other racers.

In the last half of the tweaty-third hour of the race the ill-fated Zust car, driven by Gratjen, dashed through the outer fence and turned turtle. Gratjen's mechanic sustained a broken leg and possibly internal injuries. Gratjen escaped with slight bruises. The injured man was taken to the field hospital for treatment. It was said he would not die. The Zust car had been compelled to withdraw from the race temporarily several times and had no chance of catching the leaders, but Gratjen believed he could reel off some record miles. fime: 1:47%. Queen's Daughter, Wine Merchine on to the track again.

The Simplex was given an ovation when it darted by the grandstand on the thousandth lap of the race, naving made new record for 1,000 miles. It covered the 1,000 miles in 20:09:15, the best previous record for the same period of time having been 972 miles.

The hourly scores were posted on a bulletin board and the crowd could easily keep track of the individual work of the drivers These scores also showed that the foreignmade automobiles had been gradually eliminated from the race until the final struggle was left entirely to the American-made CRLN.
