LEXINGTON HARNESS RACES

Futurity in Straight Heats,

LEXINGTON, Ky., Oct. 7.—The thirtysixth annual meeting of the Kentucky
Horse Breeders' association began here today with many noted horsemen and horses
present from various states and Canada.
The Harvester, owned by August Wilhelm
of Milwaukee, driven by Ed Geers, won the
3-year-old division of the rich Kentucky
Futurity, said to be the best stake for trot.
ting horses in the world. The race was
easy for the victor, who, in the last heat,
went the distance in 2:08%, establishing a
new record for the event.

The day's sport opened with the Tennessee stake, for 2:06 class pacers, which
proved a great surprise. Jerry B won over
The Eel, favorite, who finished second,
Minor Heir, second choice, coming in third.
The first heat in the Tennessee stake was
notable in that Minor Heir lowered by
several seconds the record for the race,
besides lowering the track record, and
further equalled the mark made by Star
Pointer several years ago for the fastest
heat ever achieved by a light harness horse,
going the heat in 2:00%,
Isenetta easily won the 2:08 pace-from a
field of thirteen starters.

The Tennessee stake, 2:06 class pacing,
value \$2.000, best three in five:
