OPPORTUNITIES FOR WOMEN

National Corn Exposition to Offer Exceptional Advantages.

SPEAKERS OF NATIONAL FAME

ecture Course and Laboratory Work in Model Kitchen to Embrace Wide Variety of Sub-Jents,

The National Corn exposition to be held in Omaha from December 9 to 19 will offer opportunities to housewives and home makers of which all too little is known smong the women who may most easily profit by them. One of the very important departments of the exposition is one to be known as the model kitchen section. This is to be in charge of Miss Jessecka Besack of Ames college, Iowa, and will include a course in lectures and laboratory work not commonly available. Among these will be milling and chemical analyses of grains, grading and baking tests of flour, comparion of nutritive values of cereals, meat demonstrations, including anatomy of animals and the location and value of cuts of meats.

able to women includes the following sub-"Food Principles," "Physics of "Chemistry in the Bread Making." Kitchen," "Bacteriology," "Fermentation." "Setting the Table and Serving." "Personal Hygiene," "Textiles," "Drafting," "Home Deceration," "Domestic Arts," "Labor Saving Devices" and "Principles of Home Sanitation." Among the speakers engaged to present these subjects are women known the country over as experts in their respective lines.

Speakers Engaged, shold economics committee of can secure even one of such speakers offered as rewards in this department. esteems itself fortunate, indeed, and the fact is heralded broadcast among intermen. The corn exposition has secured eleven of these authorities for its lecture course. Mrs. Nellie Kedzie Jones of Michigan, perhaps the best known lecturer on domestic science today, heads the list, Mrs. Margaret J. Blair of the University of Minnesota, who spoke this week formerly chairman of the domestic science of the University of Illinois, Miss Caroline Hunt of the University of Wisconsin, Miss State college; Miss Neale S. Knowles, extension department, Iowa State college; Miss Rosa Bouton of the University of Nebraska, Miss Mary F. Rausch of the of the University of Illinois and Dr. Wiat of the University of Nebraska complete

the list. All food subjects will be followed by dishes, alcohol stove and the new alcohol chafing dish. Gas stoves will be provided for individual work. The laboratory work

Lord Bacon Said, "Digest"

This is the Secret of Life in Business or Health. It is claimed that Lord Bacon struck the

prime keynote of life when he wrote: "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested."

He wrote of books: many who have followed him have written likewise of life. The man who digests his business, makes his or her art brings fame; the man who as was the intention he should live.

food you digest. If you swallow and taste and don't di-

gest and chew. Nature cannot give you health, for you do not furnish the am-

Stuart's Dyspepsia Tablets contain in pure, concentrated form the essences which when they reach the stomach, turn dyspeptic conditions into those of healthy

These little tablets are dissolved in the mouth by saliva; they mix with this fluid and are passed down into the stomach, where they immediately set to work upon the food and digest it. They are many times more powerful than the human digestive fluids, and thus replenish Nature with those juices which sickness, abuse

or wrongful eating have exhausted. The world's best chemists in Europe and America agree on the ingredients best adapted to perfect digestion. Stuart's Dyspepsis Tablets are these ingredients ated to the stomach in the most pleasant and lasting form.

Powders and liquids soon loose their effectiveness through chemical actions and ecay. Stuart's Dyspepsia Tablets are made under terrific pressure, and their

qualities are thus made lasting Forty thousand physicians prescribe and use these tablets, and every druggist sells them. Price 50 cents. Send us your name' and address and we will send you a trial nackage by mail from Address F. A. Strart Co. 150 Stuart Building, Marshall

O. C. PETERSON, M. PH., COMING

Chairman Crawford of the republican county committee has secured Q. C. Peterson, M. Ph., of Chicago, one of the most brilliant speakers of the west, for four addresses in Donglass county, beginning, perhaps, next Tuesday night. He will speak once in Omaha, once in South Omaha, Waterloo and Valley. Mr. Peterson is foremost among the Swedish people of this country. He is an attorney-atlaw in Chicago, a graduate of the Iowa college at Grinnell and of the University of Iowa Law school. As a thinker and logician he takes high rank in the west. His coming to Omaha is under the auspices of the two local Swedish clubs and is anticipated by everybody who knows him as one of the genuine treats of the campaign. Mr. Peterson has spoken in Omaha before and has many admirers in this city.

will be conducted by women who have had training in scientific cookery.

Entrance Requirements.

The model kitchen course is open to girls between 16 and 21 years of age, but the lecture course is open to all women there are many farms to be drawn for, the wishing to attend, admission being by special season ticket. A laboratory fee of two extra operators at this point to help \$2.50 will be charged the girls in addition handle trains. One, Frank Raffle, did not to the regular season exposition ticket. A dormitory with matron and other chaperonage will be provided the girls by the Omaha Young Woman's Christian association. This will be free of charge to a limited number, but the association will secure suitable places for lodgings for all who need them.

Farmers' institutes and their auxiliaries will be privileged to recommend young women to take the laboratory work, but as the accommodation is limited applicathe woman's club or state federation that A long list of prizes of value is to be
