AFFAIRS AT SOUTH OMAHA

E. L. Howe and Mrs. Della Montgomery Married Wednesday Evening.

FIRE DRILL AT LOWELL SCHOOL

Big Republican Meeting of the Week to Be Held This Evening at Ritchie's Hall—Christians to Build New Church.

E. L. Howe and Mrs. Della Montgomery were married at the bride's residence, 1603 North Twenty-fourth street, last evening at 8 o'clock.

Dr. R. L. Wheeler performed the ceremony, which was the most simple ritual of the Presbyterian church.

Neither of the parties need introduction to the people of South Omaha.

Mr. Howe has been postmaster since the death of Fred J. Etter.

He is one of the best known and most respected men in the city.

Mrs. Della Montgomery has been identified with the highest circle of the city and has been connected with most of its enterprises, especially its benevolences and charities.

Both have been receiving numerous congratulations since their wedding was quietly announced two or three days ago.

The fire drill was held on a false alarm of fire yesterday by Chief Garratt, with the result that the pupils, under the drill instituted by Miss Mary Fitzgerald, cleared the building safely in forty seconds.

No one but Miss Fitzgerald knew that the alarm was to be sprung, although the teachers were much frightened for a moment when they all kept their heads and started the children steadily on the fire drill march which took them out in excellent order, though many pale faces showed the strain they were under.

Chief Garratt encouraged the janitor in one of the halls raising the question as to how to use a fire extinguisher. He replied, "Pull it six times and repeat in thirty seconds."

He was confusing the fire extinguisher with the alarm box. His excitement was a contrast to the coolness of the young women.

A similar test will be tried at several other schools, where the exits are wide and no great danger of a stampede will result.

It is believed that if an occasional false alarm is turned in the pupils will in case of real danger, be cooler headed.

There was a small fire at the Madison school yesterday, caused by slacking coal when the fire was extinguished.

No damage was done as the blaze was discovered in time and promptly controlled.

Birthday Celebration Changed. The date of the Pioneer Historical society's function in honor of the Twenty-second birthday of the city of South Omaha has been changed from October 22 to October 28 and will be held in Woodmen hall over the South Omaha National bank instead of in the library, as was first planned.

The change is due to the fact that the society intends to serve the guests to substantial refreshments, which could not be arranged in the library hall.

A quintet of male voices, and a paper or two, supplemented by Miss Kathryn Rowley, Miss Lucy State and Miss Grace Thielke, will be part of the program.

The papers will be historical reminiscences of the foundation of the city and will contain much of the humor of the time.

New Christian Church. The Christian church is to build an edifice at Twenty-third and I streets. The contract for the building has been let to E. O. Johnson.

The structure is to cost in the neighborhood of \$800,000, is to be 40x70 feet, built of cement block. About \$400,000 has been raised so far for the building fund.

The Christian church has been working for and planning this building for over a year. In the meantime it has been holding church services at the Ancient Order of United Workmen temple, until the last two months, when they arranged for the Young Men's Christian association gymnasium.

Big Republican Meeting. The big republican meeting of the week is to be held tonight at Ritchie's hall this evening. One auxiliary meeting will be held at Rex hall for the benefit of the Polish people, who are said to favor the republican principles strongly this year.

At Ritchie's hall O. C. Peterson of Chicago and A. W. Jeffers will be the principal speakers of the evening. Plans were laid for the final struggle on election day. The chairman of the central committee said: "I can see no reason why the republicans should not vote a straight republican ticket this fall. I believe that we have the best men nationally and in Douglas county. There is no question about the qualities of Governor Sheldon when compared with his competitor. We can afford any complimentary vote to Bryan. He has not earned it."

Arrangements are now complete to get out a complete register of the city and has been connected with most of its enterprises, especially its benevolences and charities.
