BUSY AUDITORIUM SEASON
Corn Exposition Biggest, but Not Only Big Event Scheduled.
POULTRY AND PURE FOOD SHOW
Eighty of Pythias Anniversary is Among the Affairs that Will Be Held There This Winter.
The rafters of the Auditorium will resound a variety of noises this winter. The beams will reverberate everything from the cackle of hens and crowing of roosters

to the strains of the orchestras playing for the street sidewalks and the music of the big dancers, the thunder of roller skates, the ritualistic rigmorale of prominent Pythians, the rhetorical passages delivered by amateur actors for Kountze Memorial church; all these and a noise like an ear of corn or a cold chisel, for beside the Corn exposition the Nebraska Retail Hardware Men's convention will be held in the great hall.
Monday night the floor will be thrown open to those who would roll around on little wheels. The roller skating period will be concluded at the end of the week in order to make ready for the Pure Food show, which opens November 4 and lasts ten days. The big Knights of Pythias convalesce will be held November 23, and the street railway ball two days later. The following two nights the Kountze Memorial

drama will hold the boards and on the 26th the work of preparation for the Corn exposition will begin. This opens December 9 and runs until the 19th.
The Transmississippi Poultry show will be held from December 23 until January 2 and the cock-a-doodle-do of many chautauqueurs will help make night hideous on the eve of the new year.
Further on in 1909 will come the musician's ball, for which the date is February 5, and the Nebraska retail hardware men will have their convention February 15 to 17. Roller skating will fill in several intervals and more conventions or other attractions will be booked.
With the resumption of roller skating it may be remarked that mental as well as physical slips are possible and that in asking a girl to join one it will not do to say, "May I have this skate?"
The Pythian event, November 23, will bring to Omaha no less than 10,000 members of the order and possibly one-third as many more. It is to celebrate the fortieth anniversary of the foundation of the order west of the Alleghenies, Nebraska No. 1 having the honor. The celebration will be an interstate affair and knights from all the states from the Mississippi to the Rockies will be present.
The 30, a lodge rank staff of Dayton, O., will be brought here at an expense of \$5.00 to confer the degree of knight and it is expected that Nebraska and neighboring states will furnish over 500 candidates. There are 300 men in the rank staff and they will bring with them four carloads of paraphernalia. In the afternoon the Daytonites will give the good old Pythian drama, "Damon and Pythias," and this will be open to the public.

DID PAPER STEAL HART PHOTO
Colored Woman Says Reporter Entered Her House with Key.
SHE PLANS SUIT FOR DAMAGES
Mrs. Williams of 1426 Military Avenue Tells County Attorney Evening Sheet Man Broke Into Her Home.
Growing out of a questionable method of procuring a picture supposed to be that of Eva Hart a suit may be filed in one of the local courts against an evening paper.
Mrs. Sarah Williams, a colored woman living at 1426 Military avenue, charges that a reporter connected with the paper entered her home with a skeleton key during her absence and took a picture which was published by that paper as Eva Hart's. Mrs. Williams was at first disposed to file a criminal complaint charging burglary against the reporter and she consulted Deputy County Attorney Magney Friday morning. Later she decided to sue for civil damages instead of prosecuting criminally and she consulted an attorney.
Neighbors of Mrs. Williams have described a man whom they saw enter the house with a key. After the picture was used it was returned to Mrs. Williams by mail, but she is not disposed to be satisfied with the mere return of the photograph.
Mrs. Williams was away from home when the reporter arrived at her house. He was held there in quest for an Eva Hart photograph by the fact that Mrs. Williams had at one time and another done domestic work for Miss Hart and had understood she had one of the girl's pictures. Mrs. Williams found her house in a confusion when she returned home, so she told Chief of Police Donahue, who was the first authority to whom she confided the matter. She first said the photo which was stolen and published was not that of Miss Hart.
Friday morning Mrs. Williams called at police headquarters and told Clerk of Police Court Mahoney of her desire to file a criminal charge against the reporter. Mr. Mahoney advised her that she would have to take up that matter with the county court and she then went to the office of the county attorney.
Should Mrs. Williams proceed with the criminal case it is said the matter would come before the grand jury now in session. Three indictments were returned into court by the county grand jury Friday morning. One of them was withheld from the records because the arrest had not been made at that time. The other two were Henry Hiller, charged with forging a

check for \$10 and passing it on E. Maurers and the other was against John Moore, charged with stabbing with intent to wound Eugene Lloyd.
BOHEMIAN CHURCHES HERE
Protestants from All Over Country Will Hold Conference in Omaha.
National in its scope, another conference is to be held in Omaha before Father Time turns to page 1909. Beginning November 11 and continuing for several days, a general conference of ministers and lay delegates from the Bohemian protestant churches in

different parts of the country is to be held, the prime object of which will be to promote the protestant church among Bohemians. Prominent ministers and other men from all parts of the United States are expected to attend and participate, among them being Prof. Barta of Dubuque Seminary and the Rev. Mr. Lasso of Pittsburg.

FOR S.S.S. BAD BLOOD
When bad blood is caused from an infection of the circulation by the virus of Contagious Blood Poison, it usually shows in the form of ulcerated mouth and throat, copper-colored spots on the body, swollen glands in the groin, falling hair, sores and ulcers, etc. These general symptoms, affecting all parts of the body, show how deeply poisoned the blood becomes, and emphasizes the dangerous character of the trouble. If allowed to remain in the system the disease will finally wreck the health and break down the strongest constitution. No medicine can cure Contagious Blood Poison which does not rid the circulation of every particle of the virus. S. S. S. is the one real and certain cure; it goes down to the very bottom of the trouble, and by removing every trace of the poison, and adding rich, healthful qualities to the blood, overcomes this powerful disorder. S. S. S. is the most reliable of all blood purifiers, and its concentrated ingredients of healthful vegetable extracts and juices especially adapted to curing this insidious trouble. Write for our home treatment book, which is a valuable aid in the treatment of the different stages of the disease, and ask for any medical advice you wish. No charge for either.

HAVE YOUR INDIGESTION ENDED FOREVER
Don't suffer another moment from Stomach distress or Indigestion.
The question as to how long you are going to continue a sufferer from Indigestion and Stomach trouble is merely a matter of how soon you begin taking Dr. Williams' Pink Pills for Pale People.
Your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a reinforcement of digestive agents, such as are naturally at work in the stomach. People with weak stomachs should eat copiously after meals, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, Gas on Stomach or

Belching of undigested food, Headache, Dizziness or Vomiting, and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour stomach and dyspepsia are generally relieved five minutes after eating one Triangule of Dr. Williams' Pink Pills for Pale People.
Go to your druggist and get a 50-cent cent of Pape's Diapysin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are no going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.
