Greatest Bargain Sale EVER HELD IN OMAHA

These Extra Specials Monday Will Be the Most Wonderful Ever Offered.

Brandeis' Reputation for Bargain-Giving Is Almost World-Wide

It is so well known that Brandeis always buys for cash, no matter how fine the stock or how high the quality, that the very best bargains in America are offered first to us. We learned that many eastern manufacturers and jobbers needed ready cash badly, and we dispatched several of our own buyers in haste to eastern markets where they paid cash for the choicest lots the overloaded market could offer. The goods are here now and the price reductions are tremendous. Every bargain here will save you money.
