Voters to Determine Question of Water Bond Issue Tomorrow.

Women Who Have Reached the Age of Twenty-One Are Entitled to Vote on the Question.

The question of whether the city shall have bonds to the amount of \$600,000 for a municipal water plant is to be decided by the people at the special election tomorrow. City Clerk Casady, upon whom the greater rart, of the work falls, has practically everything ready for the election tomorrow.

The polls will open at 7 a. m. and remain open until 7 p. m. As the counting of the ballots will be a simple task it is expected that the result of the election will be known one hour after the polls close.

Women who have reached the age of 21 ears are entitled to vote on the proposition of the bond issue and their ballots those of the men.

The ballot is a simple affair and a voter ought not to experience the slightest difficuity in marking it so as to express his wish whether he is in favor or opposed to the issuance of the bonds. The proposition is stated on the ballot as follows:

of six hundred thousand dollars (\$600,000) for water works purposes. 'Against the issuance of bonds in the sun of six hundred thousand dollars (\$600,000)

For the issuance of bonds in the sum

for water works purposes." If the voter is in favor of the proposition he will place a cross in the square opposite the first paragraph. If he is opposed to the issuance of the bonds he will place his cross in the square opposite the second paragraph.

### "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it not alone the body which suffers through disease. The brain is also clouded the mind and judgement are Bected, and many an evil deed or impure thought may be directly traced to the import of the blood Foul impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It curiches and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, es salt-rheum, hives and other

manifestations of impure blood.

. . In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery "has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery " as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St. Ruffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

. . . You can't afford to accept any medicine own composition as a substitute for "Golden Medical Discovery," which is medicine or KNOWN COMPOSITION, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath.

walls of the court room This has been my rule in this district for twelve years and applies to all parties, and dence districts before it is too late? Mr. Cornell is fully advised of the rule. If Mr. Cornell was as well known in other counties of this district as he is it Cherry county I would pay no attention to this matter.

Mr. Cornell as a calamity howier is no success where he is known. Last fall se advised and entreated the republicans of his county not to vote for me for judge yet in spite of his advice and entreaties more than 300 of them did so, and will do the same this year. W. H. WESTOVER.

Building Restrictions Needed.

OMAHA, Oct. 15.-To the Editor of The Bee: While our city is rapidly taking on nore metropolitan appearance, with bette public and business buildings and a fine boulevard and park system, is it not time to pail, 49c; 12-quart preserving kettle, 49c; 8look after the better future appearance of pint coffee pot, 49c. On sale Monday only, our residence districts? In custern cities and Petersen & Schoening company.

older countries certain restrictions are made regarding new buildings. Here a man builds almost anything on any part of his lot, provided only he conforms to the fire ordinance.

It would seem that the maintenance of a lot building line ten, twenty or thirty fc back from the sidewalk is the proper soludrug store and grocery, and also the much for little man," who uses every square foot of his corner lot for building, should a man be allowed thus to cause a much larger depreciation in other property value than he himself is benefited thereby? As we go up West Farnam we notice at

large signboard offering to build store buildings for rent, and we understand, a little farther up the bill (Thirty-fourth and Farnam) a party has purchased ground for the erection of a double building for grocery and feed store. Cannot something be done to stop this despoiling of our best resi-The people in our residence districts are not desirous that the stores be located at

their doors, and we hear no complaint from storekeepers delivering so far out Let us not, for the future good of our city, permit this thing to go on. Very truly, RESIDENT OF OMAHA FOR TWENTY-FIVE YEARS.
