

BURKETT TALKS AT BENSON

Senior Senator Draws a Crowd Which Fills the New Eagle Hall.

WORK OF TWO PARTIES COMPARED

A. W. Jeffers Winds Up the Meeting with a Short but Effective Address and Then Both Start for South Omaha.

Comparing the republican party to the north star, ever steadfast, and asking the people to go to the polls in November and cast their votes for it and not for the party which stands for the flickering, fading and changing "paragon issues" connected to catch votes.

Party of Prosperity.

"I don't know whether there are any democrats here tonight or not, but if there are they must concede that the republican party is the party of prosperity. A few years ago I could tell a democrat as far as I could see him, and in 1896 I could tell a republican as far as I could see him.

REPUBLICANS AT SOUTH OMAHA

Senator Burkett and Local Candidates Draw Big Crowd.

The procession has certainly started in South Omaha which will carry the banner to victory on election day. Senator Burkett had the best attendance of the campaign before him Monday night.

Difference in Parties.

The republican party believes in doing things, the democratic party believes in doing nothing. It believes in leaving things

where they are. The democrats talk about justice, the guaranteeing of bank deposits, the regulation of candidates, and what not. But if you have no deposits what do you care about guaranteeing what you haven't got?

Value of Republican Congressmen.

"Mr. Jeffers has told you something of the advantages of having a republican in congress in this district. Let me give you an instance. Last spring I received a telegram saying that the roof had been blown off of the creek.

By popular vote

If a ballot were taken as to what single feature of home furnishing produces the greatest comfort, every member of every family that has graduated from old-fashioned heating methods to Hot-Water or Low-Pressure Steam heating would cast a unanimous vote for

AMERICAN & IDEAL RADIATORS & BOILERS

These outfits not only make a house homelike, but their soft, even warmth protects the family health; their cleanliness halves the cleaning-work, and the fuel savings soon repay their cost. They will outwear the building and prove to be a permanent paying investment—far better than bonds at 6 per cent.

IDEAL Boilers are made to fit 3-room cottages to 90-room buildings or larger. They are made for Hot-Water, Steam, or Vacuum heating—for burning all kinds of fuel, even to the cheapest of soft-coal screenings, gas house coke, etc.

AMERICAN RADIATOR COMPANY

Dept. N-80 413-417 South Tenth Street, Omaha, Nebraska

Whether your building is old or new—farm or city—cast an early vote for release from the troubles and expense of old-fashioned heating—seven winter months ahead! Write, telephone, or call today.
