

Right It—

Get at the bottom of the Baking Powder Question.

Buy a can of Calumet today. Put it through the most rigid baking test that you know. If it does not fully come up to your standard, if the baking is not just as good or better—lighter, more evenly raised, more delicious and wholesome, take it back to the grocer and get your money. Calumet is the only strictly high-grade baking powder selling at a moderate cost. Don't accept a substitute. Insist upon Calumet—and get it.
