The Terrible Disease Spread Over Body and Limbs-One of Worst Cases Doctor Ever Saw-Itched Constantly-Defied Treatment.

USE OF CUTICURA MET WITH PERFECT SUCCESS

"I was cured of psoriasis through the use of the Cuticura Remedies. The terrible disease appeared on my arms and legs in amali red spots under the skin, like blood blisters, the size the skin, like blood blisters, the size of a pin-head; and it was constantly throwing off white scales, with a terrible itching. It spread until I was covered with it except my face and hands. I doctored with two of the best physicians I could find but they could not help me. One of them pronounced it one of the worst cases he ever saw. My mother gave me a bottle of Cuticura Resolvent. I did not get much relief from the first bottle but she urged me to keep on taking it, also using Cuticura Soap and Cuticura Ointment. After a few weeks I saw some improvement, so weeks I saw some improvement, so I kept on using all three of the Cuti-cura Remedies until, about a year ago, I was entirely over it and have never had any more of the trouble. I am sure that the Cuticura Remodies cured me for I stopped other medicines after I began with Cuticura. We always keep Cuticura Sonp and Cint-ment in the house, James L. ECZEMA TWO YEARS Speedily Cured by Cuticura

"For two years I suffered with eczema which broke out all over my body. It began with an itching and kept me awake at night. I tried everything that was recommended but without results until I was advised to try Cuticura Soap and Ointment. The first week I began to feel better; in two months the itching had stopped and before I had used half the Cuticura Remedies I was completely cured. I would not be without Cuticura if it cost five dollars. James A. Arrow, Brookland, D. C., Oot. 6 and 21, 1907."
