remely close and with three city precincts still to be heard from, it was uncertain whether the republicans or the democrats had carried this particular office. Friends of Waddington, the republican candidate, were inclined to the opinion that he would win out by a bare majority over Barghausen. It is possible there may be a contest over recorder. In the first precinct of the Fifth ward thirty-eight ballots were thrown out, it being claimed they had by some unknown means been marked before the voter received them for the democratic candidates for sheriff and auditor. These ballots showed that all the candidates on the democratic column had been marked with the indelible pencil provided in the booths with the exception of the names of the candidates for sheriff and recorder, which were found to be marked with a black pencil. No explanation of how these ballots came to be marked in this manner was forthcoming last night. The incomplie returns last night showed that Congressman Smith had with the three city precincts still to be heard from, arried the county by less than 600 over Spencer, the democratic candidate. In 1906 Smith's plurality over W. C. Campbell, democrat, was 2,013. In 1904 his plurality over Hamilton Wilcox, democrat, was Philip Bints of York, Julius Miller of 2,094. In 1902, his plurality over Cullison, Curry of Norwalk and P. Wahlgren of oever Wadsworth, democrat, was 1,137. With the three city precincts still to be

KIND WORDS FOR CUMMINS

Bill of Lading for One Carload of Congratulation.

(From a Staff Correspondent.) DES MOINES, Ia., Nov. 5 .- (Special.)-Governor Cummins received about 100 telegrams today congratulating him on his ictory in the state. He received information which led him to believe that when the votes are all counted be will have nearly or quite 50,006 majority over Major Lacey. He carried Sloux City, Cedar Rapids, Burlington, Ottumwa and other cities and, in fact nated senator.

Auditor Carrol also received congratulaions on his election as governor and he estimates the majority at over 50,000. The following were the state officers elected: Governor-B. F. Carrell, Bloomfield. Lieutenant Governor-George W. Clarke.

Treasurer-W. W. Morrow, Afton. Clerk Supreme Court-H. L. Bousquet,

Marshalltown. There is not sufficient evidence as yet to base any estimate of the total vote in ment, as the law recognizes no such relathe state or the vote for the minor parties. An estimate of the congressional ma-

Sedond district, A. F. Dawson, 3,000.
Third district, C. A. Pickett, 5,000.
Fourth district, G. N. Haugen, 6,000.

With the exception of the Eighth district the delegation in congress will be solidly republican. Kendall defeated the present democratic congressman from the Sixth district by at least 1,200 majority.
