A Woman's \$3.00 Shoe

At this popular price we're showing shoe value that cannot be duplicated elsewhere. We're well aware that all shoe stores sell women's shoes at \$3.00, but what a difference in the shoes.

The price means nothing—it's not copyrighted—any store can name it—the shoe means everything.

Madam, if you wear \$3.00 shoes and will look at our shoes at this price, we will make a sale.

We've every size and width—which guarantees a perfect fit and we see that every foot gets it.

HAYDEN'S THE RELIABLE STORE

Copyright 1908 by Hart Schaffner & Marx

The open season for good clothes finds us better prepared than ever to supply the every wish of the most particular and fastidious dresser, from the most staid business or professional man with the most quiet tastes in dress, to the dressy young fellow who expects and demands the style extremes.

We want to show you the new lines that **HART, SCHAFFNER & MARX** have made for us.

Colorings this season are unusually rich and varied and no one has taken as marked advantage of it as Hart, Schaffner & Marx. The new shades in browns, greys, olives and animal colors are a delight to all who look over the lines. The fabrics, as always, are absolutely all-wool and the styles and tailoring simply superb. They stand in a class by themselves, the best Suits and Overcoats produced anywhere.

Prices from..... **\$18 to \$35**

Special Sale of Suits and Overcoats

From Adolph Aarons & Co., well known New York manufacturers. Not a garment in the lot worth regularly less than \$15 and up to \$22.50. The season's newest styles, fabrics and colorings. All the latest kinks in patch pockets, button flaps, fancy cuffs and the like. **\$8.75 and \$11.25**

Boys' Dependable Shoes

The "good enough for the boy" idea in buying shoes is poor policy.

The best in shoes is none too good for the boys. They give their shoes harder wear than a man does, and it is a waste of money to buy them poor shoes.

If our kind of boys' shoes cost a trifle more than the ordinary kind, they are worth it, and we guarantee every pair to be satisfactory.
