### PURE FOOD SHOW DRAWS BIG

Exhibit at Auditorium is Well Attended Second Night.

### THINGS BEING DISPLAYED

Private Program Will Be Varied Evening—This Feature Proves Good Drawing Card.

The appearance at the second night of the Pure Food show at the Auditorium indicates that the public is taking decided interest in the exhibitions and demonstrations given there. From the way the grocers are telephoning for tickets it is evident that the show is going to be the best that has yet been held in Omaha. Mr. Fisher of the Retail Grocers' association asks that grocers wishing tickets call on Mr. Gillen at the Auditorium for them, as Mr. Fisher is not in charge of their distribution.

Among the new exhibits installed last night was that of the Larsen Ice Machine company, which is attracting much attention. The Loose-Wiles company will have their exhibit installed today. It will consist of an artistic arrangement of carvings. The Orchard & Wilhelms company will install an exhibit today which will generally comprise a fine exhibit of kitchen furniture and modern kitchen equipment.

The booths are being put in readiness for the bread exhibit which will begin next Tuesday. The Auditorium will be opened at 10 o'clock that morning so there will be no waiting or delays for the prospective visitors to get their products properly placed and credited. It is expected that at least 20 boxes of bread will be exhibited from among the housewives and home bread makers of Omaha. At a meeting of the board of directors of the Retail Grocers' and Butchers' association Thursday night it was decided to donate the bread exhibit in the contests to some charitable institution.

Among other new exhibitors who will probably install exhibits this week are the Shoghi-Lithia Water company and the Haarmann Pickle company of Omaha.

This evening there will be a variation in the vaudeville program by a comic wrestling match by the Teddy brothers. An entire change of program is given each evening during the vaudeville performances and these evenings will be filled with the excellent music furnished by Dimmick's orchestra, are attracting much favorable comment.

The show is well worth a visit, either during the afternoon or evening, and with the increasing attendance its success is bound to far surpass that of any previous exhibitions of the kind yet given here.

At a meeting of the directors last evening it was decided to offer several additional prizes in the bread contest. These will be one prize each of the following sums: \$2, \$5, \$10; two prizes of \$5, four of \$2.50 and five of \$1.

Runkel's Cacao and the Minnesota Macaroni company are doing much to add to the pleasure of visitors to the show, the former serving dainty little cups of hot coco free and the latter serving delicious samples of their macaroni and other products. Both booths present a very attractive appearance and are the Mecca for many hungry visitors.

### DAVIS IS READY FOR TRIAL

Charles E. Davis, charged with having killed Dr. Frederick Ristner as the result of a suicide compact probably will be placed in direct court some time between November 16 and December 4. County Attorney English has fully made up his mind just when he will call the case, but it probably will be before the next panel of the jury, which will report for three weeks' service November 16.

Davis' attorneys have indicated they are ready for trial at any time.
