CANVASS OF VOTE INCOMWLETE Precincts Still Remain to

Be Tabulated. When the Board of Supervisors adjourned for the day last evening it had completed the canvass of the voto cast at the general election last week up to and including the First precinct of the Second ward of this city. This leaves ten city precincts yet to be canvassed and it is expected that the board will complete its work by noon today. It probably will take all the afternoon to foot the tabulations.

Beveral discrepancies in the unofficial returns as published were found yesterday. In the First precinct of the Second ward the vote for Barghausen, democratic candidate for recorder, had been reported as 274, whereas in fact it was 247. This mean; a loss of 27 for Barghausen and by last evening his lead over Waddington, the republican candidate, was figured at only 13. Paul Aylesworth, republican candidate

for justice of the peace, lost 100 in the First precinct of the Second ward, but as he was one of the defeated candidates, this will not affect the result. Statements of election expenses have been

filed with the county auditor by the following candidates:

H. Harrington, republican, successful lidate for supervisor, \$70.05. candidate for supervisor, \$70.05.

J. C. Baker, republican, successful candidate for constable, \$25.

RECORD ATTENDANCE AT SCHOOLS

October Sets a New Mark for City of Council Bluffs.

The statistical report of Superintendent J. H. Beveridge, submitted at the monthly session of the Board of Education last night, shows that the enrollment of pupils in the public school of Council Bluffs dur ing October was greater than at any previous time in the history of the schools. Not only was the enrollment the largest, but the average daily attendance passed all previous records. The superintendent's re-

Arrangements for opening the new school at Seventeenth street and Avenue E by the first of next month were made. The lowe for another cabinet officer and the boundaries of the new school territory were decided upon and these show that the greater number of pupils for the new school will be drawn from the Avenue B school street school. The school will start with three rooms open. ST. LOUIS, Nov. 11.-The General Committee of Foreign Missions of the Methodist Episcopal church, which has been in session here since last Friday, adjourned late this afternoon, after tsauing an appeal to the church for mission funds.

In accordance with the policy of the church, an apportionment of the amount needed for 1909 was made upon the various conferences and charges. This apportionment amounts to \$1,500,000.

For the purpose of stimulating further contributions the general committee recommended that all churches contributing 25 per cent more than their apportionment be placed on a roll of honor to be published in the official missionary organ of the church. The committee also endorsed the recommendation adopted by the general conference of the church last May that \$3,000,000 be contributed to the missions the following year.
