POPULACE IS IN GREAT STEW

All This Civil, Political and Religious Hubbub is Created Over one Little Inn on Country Rond.

DUBLIN, Nov. H .- (Special.)-Not since the rebellion of 1798, when Henry Joy Mc-Cracken let the men of Down and Antrim against the English troops, has there been such excitement in these two countles as has been created during the last few weeks over the proposal to relicense the Goat Inn a Miltown, County Down, Nothing else has been discussed in the two countles for weeks, and when the magistrates met at the Newtownards Quarter Sessions a few will survive. days ago to arrive at the momentous deto see the final struggle.

thing there can be no take part in it. Down is well supplied with justices of the peace. There are dozen or so appear to serve at the Quarter against the Standard Oil company. Sessions. This time 131 magistrates appeared on the bench to decide on the fate of the Goat. That is to say, they were nominally on the bench, but actually, of Commonwealth Trust company, making The questions I wish to ask concern your They filled the well of the court, crowed the counsels benches and overflowed into the corridors and dressing rooms. Most of them, of course, heard nothing of the arguments by the twenty odd barristers and jured: solicitors engaged in the case, but that did not matter, for every magistrate had his mind made up how he was going to vote before he left home. Up to the last moment motor cars, jaunting cars and wagonettes were dashing into the court

Modest Little Inn.

The cause of all this bother was a modest five miles from Belfast, and its geographical position had everything to do with its importance. Under the Sunday closing law bona fide travelers who have traveled five miles from the place where they slept on the Saturday night, and the Goat did a Minnesota pastor reviews church had its terminus there, and at intervals of few minutes all day long on Sunday trol- olics. ley care, laden to the feecboards, set down Sunday by crowds of drunken, fighting rowdies and there seldem was half an hour without a dog fight in the road in front of the inn. People lay about the roadside for a half miles on each side of the Goat in a nude or semi-nude condition. and the police declared that they were helpless because the nearest station was three miles away and they could not take a man who was fighting drunk so far.

Letters were received by the magistrates protesting against the renewal of the liccase from the Catholic and Anglican bishops of Down and Conpor and from the moderator of the Presbyterian general assembly, as well as from all the clergy of all denominations for miles around. owners of the house, a large firm of Belfast distillers, were represented by famous counsel. Eventually the magistrates deelded against renewing the license by a

Several Collisions Occur

There were geveral collisions between the Guiffes and the anti-Goatites in the streets of Newtownards after the decision, and eventually the police, who had been strengthened by drafts from all parts of the country, cleared the town and drove the partisans out into the country, where they were allowed to fight it out to their

A proposal is being made in certain union ist papers to reduce the representation of freland in the British Parliament, and it is based on the apparently specious ground that Ireland is very much over-represented n proportion to its population. This is true, but the decline in population is due to telling stunt. Page of good things for British misgovernment and when it was the little folks. Effect of expulsion of "under-represented in 1822 and a proposal was made to increase the number of his Activities of women in home and busimembers of Parliament it was defeated ness. Another proposal which may be much more likely of realization is that the next union- have done after retiring from office. st government should give Ireland bome Hanson's new cafe beautiful and somerule in all but imperial affairs, retaining thing of the man who created it. the Irish members at Westminster, but reducing their number to correspond to the population. This would probably not be bjected to very much, and it is pointed out that if the real sout of Irish government were in Dublin, the Irishmen would be very

autom seen in London. Labor Party to Contest.

other sign of the change which is comug over political feeling in the north is the aunouncement that the labor party has arranged to contest the next parliamentary dections in North and East Belfast. These divisions have been strongholds of unionisn and orangeism, but they are largely working class, and the workingmen of Ulster are getting tired of being used to pull the landlords' chestnuts out of the fire. The labor representatives who have been nominated are Protestants, but home rulers, and while the fight will not be made on national lasues, but purely on the labor questhey can be trusted if elected to vote with the Irish party on all questions offeating the restoration of Ireland to its proper position among the nations.

The Denegal islanders who refuse to pay ruxes are again to the fore. At the Lifford quarter sessions a few days ago Mr. Edward McFadden, the tax collector, applied to the judge to allow him to serve sumses for nonpayment of rates on the islanders of Gots, Inishmain and Inishover by post. He declared that he found it almost impossible to get a toatman to take him to the Islands to serve the summonses.
