Poor Tools And A Good Worker

That Is What Makes Indigestion, Dyspepsia, Sour Taste, Foul Breath and Catarrh.

The stomach is a good strong vital orean, which is educatedly protecting and feeding every other organ of the body. It is the most abused, neglected and scorned member of man also. Most men abuse their stemach with under-cooked food, high living, alcohol, tobacco, pastries and scores of other unhealthy practices. When the stomach at last sickens of all Dan Mechon, one of the pioneer woo this abuse and cannot do its full duty, growers of Wyoming and owner of a his men are not warned, but keep up and ory for help. Man by his own abuse, and storage of wool in Omaha next year. has taken away from the stemach the

which go to make up the digestive agents as we have been waiting for years," said turned into the stemach every day.

Teal value?

strength and throws it, a fermented mass not be readily supplied by the blood.

When food comes into the stomach filled with depleted fluids lacking of power to do their part, the good strong stomach is using poor tools and, of course, can-not succeed in its work.

A condition which often prevalls is

that which takes place when the gastric juice contains too much alkali. If the juice were wholly alkaline it would not devour and digest the fuld, but would est and digest the stomach itself. Such gastric fluid does the digestion no ting up inflammation and irritation. Stuart's Dyspepsia Tablets will

strengthen a stomach filled with poor gastric juice. They will remove any abnorditions and digest food no matter how the stomach has acted before. These little tablets contain an ingred-

ient, one grain of which will digest perfeetly 3,000 grains of food. They will digest an entire meal placed in a jar without the ald of any other force except themselves. They have demonstrated this time after time.

Every Gruggist charjes them in stock; price 50c, and 49,800 physicians use them in their practice. Send us your name and trial package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

FREE TREATMENT OFFER

worth of their marvelous treatment. AUSTRO-AMERICAN DOCTORS

Will give free treatment and medicines to all who take treatment before the 20th.

Austria is the home of the world's greatsat cures. The Austrian-American system of treatment is the same as that which has made that foreign country famous all over the world.

It has thus proven itself in the principal cities in America, now it has been demonstrated here in Omaha. That all should know of the wonderful cures effected by this system the specialists offered to give a month's treatment, including all medicines, to all patients who took treatment before Nov. 20, this month's treatment to be free of cost.

Next, Friday is the last day that this offer holds good. No one should miss the chance. By the Austrian-American treatment all chronic and nervous diseases of men and women are cured. There is no system of treatment known of in the world to equal this marvelous treatment. The cause of the disease is removed from the patient's system. The result is the cures offected are sure and permanent.

Don't suffer, don't be sick. See these great specialists who can quickly, posttively and permanently cure you. See them if possible before the 20th of this month while the offer of free treatment holds good! Remember that all patients taken before this date will be given a month's treatment and medicines free of cost. The Austro-American doctors are pe manently located on fourth floor of the Ramge building.

Nebraska Military Academy LINCOLE

A Military Boarding School for boys. Ideal location just outside the city; large, well equipped buildings; forty acres of ground A good place for boys who don't fit in public schools. No entrance examinations are given; regular class work is supplemented by in-dividual instruction; back work is easily made up. Puplis are received from fifth to

twelfth grades, inclusive. Write for Cata ogus.

UP TO LOCAL MEN TO MAKE IT 60

Taft's Election is a Factor that Con tributes to the Stability of the General Wool. Industry.

Dan Mechon, one of the ploneer wool sheep ranch near Casper, is in Omaha, assaults on the stomach until at stopping at the Rome, conferring with last it rebels and begins to strike back Omaha wool men relative to the shipment "We are well satisfied with the new These fools are the gastric juices we can for it. It is just such an enterprise

When poor, poisonous food consumes to Boston of Philadelphia buyers without this juice, dilutes it, robs it of its grading, selling the whole clip in bulk. What we have been wanting is to have our from the system, of course there is just wool graded and the Omaha wool markets that much of the gastric fluid which canwith the big profits and tolls exacted by the middlemen. With the Omaha wool market we can have our wool graded here and thus knock off the middlemen's toll and make anywhere from 1% cents to 4 and

5 cents on graded wools. "Just as soon as the Omaha wool market began to be a sure thing wool buyers from the east flocked into Wyoming and tried to coax us into standing by the old order of things, even offering a material advance on wool, but it was too late for them. The good and attacks the walls of the stom-ach, making them raw and sore and set-cago and Omaha and as a result the week cago and Omaha and as a result the wool business has taken a big spurt forward. Taft is the Wool Man.

"The election of Mr. Taft has had a good effect on the wool market, too, and more mai alkaline condition, allay irritation, men are going into the business now than sweeten the breath, remove catarrhal con- over before. The troubles with the cattlemen are now a thing of the past and both wool and cattlemen have come to a good understanding.

"I am down here now to have a talk with he Omaha wool men relative to next year's elip and believe we will have a better market than ever, better prices and more wool. We see something ahead for us in

the wool business. "We hope some day to see the Australian nethod of grading applied here. That is, address and we will mail you at once, a that the wool is graded right at the clipping sheds and the grade sorted and priced right there. It may be some time before we can accomplish this, but then it can the wool warehouses.

"Every wool grower in Wyoming ket and will do all he can to sustain it. It is up to you folks here in Omaha, now, and we will both profit big by it."

If you suffer from constipation and liver trouble Foley's Orino Laxative will cure you permanetly by stimulating the digestive organs so they will act naturally. Folely's Orino Laxative does not gripe, is pleasant to take and you do not have to take laxatives continually after taking Orino. Why continue to be the slave of pills and tablets. Sold by all druggists.

MOUNTAIN RAILROAD WORK Interesting Illustrated Lecture Before

Men's Club of First Presby-

fustrated lecture on railway building along the Columbia river in Oregon and Canada, by Chief Engineer F. H. Schenck of the Nebraska and Wyoming divisions of the Northwestern railway. At the outset Mr. Schenck gave a profile sketch of the gradients of the several transcontinental roads, showing the enormous amount of engineering work that was necessary for the completion of these great rallway lines ENDS FRIDAY, NOV. 20th through the Rocky, Seirra Nevada, Casthrough the Rocky, Seirra Nevada, Castions were by stereopticon and were beautifully colored and treated chiefly of work The great specialists have proven the along the Canadian Pacific through the Selkirk and other Canadian ranges. Mr. Schenck graphically told of the tremendous snow slides taking place in that range and the tremendous expense the road was put to in building snow sheds and other protections against the snow avalanches. The mountain scenery of this section of Canada is beautiful beyond description as well as extremely grand and imposing. The illustrations along the Columbia river were

also beautiful and the lecture on the whole from experience, having been engaged for and committees: many years in the engineering work of both the Canadian and Northern Pacific as well as with the Southern Pacific railroads. The lecture was preceded with a short musical program, including a couple of flute solos by Mr. Brown and a vocal solo by Hayden Myers.

Rev. E. H. Jenks delivered a brief address upon the purposes and objects of the club, which meets the third Monday evening of each month the purpose being to promote a good fellowship in the church and to induce other men whether of the church membership or congregation to attend. C. W. Hicks was elected chairman of the

club for the coming month and Dr. Bacon was continued as secretary.

Following the program which was given in the main auditorium, the club and its friends adjourned to the lecture room where light refreshment was served.

Cure for Eczema

Discovered Dr. J. E. Currier Tells How It Can Be Used By the Patients

Themselves.

(From the Chicago Examiner.) "Ecsems, tetter, singworm and other skin diseases are spreading," says Dr. The members of engine company No. 3, J. E. Currier, in the Doctor's Guide, who have been before the board on charges

ecsema can be, will be amazed to see how soon this stops the itching, dries up the eruption and causes a growth of new, healthy skin. I now tell my patients to get a package of pure citrox at the trug store and disselve a teaspoonful in two tablespoonfuls of hot water, as the

solution must be made fresh each time

and used warm. "I am having better success than eyes before. A case of tetter on the hand that had run six months, citrox cured in a week; and a young woman whose back was a mass of postules was cured in two weeks. I could cite many others. Be careful to get the pure drug put up

in small, sealed packages. It will interest women to learn that this well-known drug's value for skin diseases was discovered accidentally by placed on the extra list of the fire depart-

REPRIMAND FOR THE FIREMEN Men of No. 3 Company Cautioned Not to Sleep on Duty in the Future.

The meeting of the Board of Fire and Police Commissioners last night was comparatively short and little outside of routine matters was passed on. Mayor Dahlman was absent, being confined to his home by a slight illness.

writing about a new and wonderfully of sleeping during their turn of duty, were successful cure for skin affections. present to hear the decision of the board. present to hear the decision of the board. "I apply plain pure citrox, dissolved They received a reprimand, but no adin hot water twice a day. You who ditional punishment, Mr. Cowell delivered in the season, something never done beknow how stubborn tetter, ringworm and the opinion of the board in a short speech, fore. in which he urged the men to be more diligent in their efforts to obey all the rules of the department. He stated that the reason no more severe punishment was administered was because the board had reason to believe that the entire department had been guilty to a greater or less extent of similar offenses and it was not considered justice to punish only a part of

the men. Charges were read against Patrolman S. E. Egan for sleeing on duty and falling report himself at the proper time. The charges were laid over until next meeting. Robert E. Ford and Frank McCabe were ccepted on the police force, and ordered

to report to Chief Donahue. Fred W. Marrow and Charles Zorn were ment. Zern is a recently discharged soldier.

FIRE DOES NOT HURT TRADE

Nebraska-Moline Company Suffers No Loss of Business.

FIRM RENTS-NEW STORAGE SPACE

City Building Inspector, After Look ing Over Burned Building, Deeldes Only Fifth Floor is Ruined.

No orders have been cancelled, no travelng salesmen have been called in and no retrenchment has been made in any way by the Nebraska-Moline Plow company on account of the fire which partially detroyed the company's building early Sun--accept you at your day morning and entailed a loss approximating \$100,000. On the contrary, the business of the firm has gone on with increasing volume the same as though there had een no fire.

The fire destroyed large consignments of vehicles and implements, but until a new stock can be installed in Omaha shipments are being made from the company houses in Denver Kansas City, Stoux Falls and Des Moines. The sixth floor of the Racine-Sattley building on South Tenth street has been rented by the firm and six carloads of buggies were unloaded and stored there Tuesday. Several large consignments of wagons and implements are now on the way, shipped before the fire, and these will be stored in the Racine-Sattley building Options have been secured on two uptown ocations for temporary sample rooms, but othing definite has as yet been decided

City Building Inspector Withnell Inspected the burned building Tuesday and decided that the fifth floor only of the west half of the building will have to be razed, the foundation and walls of the structure up to and including the fourth floor being intact. Mr. Withnell says that he walls are of sufficient strength to alow the building on of another two stories should the company decide to do so. It was the intention of the officials to add a couple of stories a couple of years ago, but he financial flurry occasioned delay.

The insurance adjusters are still busy making their estimates of the joss and as soon as they finish the work of reconstruction will begin, says Manager C. C. Troxell.

The city attorney rendered an opinion to der the present condition of the charter to berg and Howard Roe by Segard Larmon. assess damages for personal injury due to Candidates for other offices were then defective sidewalks against the property before which the walk in question was lo-

be presented to the state legislature. The mayor appointed a charter revision committee, which was approved by the council. It consists of the following mem bers, appointed from each ward: J. M. Tanner, Jerry Howard, J. P. Kraus, S. L. Winters, J. J. Ryan, C. E. Scarr, John Klewit, Stephen Vail, J. B. Watkins, A. L. Powell, C. W. Sears, J. H. Kopietz, Dr. W. J. McCrann, J. L. Barta, Dr. F. W. Faulk, John Flynn and Frank Belding. It will be the duty of the charter revision committee to meet and formulate propositions to be incorporated in the city charter. Opportunity will be given for individuals and improvement clubs to present their views on any and all matters of public interest. It is likely considerable interest will be taken in the work of this committee. During the last session of the legis lature the charter revision committee was not called until January, but it was found that this made the work of securing the needed changes uncertain. Several things falled of due consideration for that reason It is proposed this time to be forehanded and get all demands in shape before the legislature goes into session.

A mass meeting of citizens was called o meet in the council chamber Thursday afternoon at 2 o'clock to discuss the Nebraska Power company's proposition fo the lighting of the city of South Omaha. In the regular routine the council tool nder consideration the claim of Chrisina Henry for \$2,500 damages for personal njury at Twenty-sixth and M streets. The bond ordinance providing for the grading of I street from Eighteenth to I wentieth was introduced. The city clerk was instructed to advertise for bids for the grading of Twenty-second street from B to D streets. The street commissioner was instructed to repair the grade of Thirty-third street from H to L streets. This was held out as a sort of soothing potion to a large number of petitioners from the Fifth ward presenting the interests of pening Thirty-ninth avenue. W. F. Burdick, A. A. Wright and L. H.
