"CANCER" STATED CLING DOCTORS AFTER DIAGNOSIS ... Remarkable Recovery of Elderly Woman From Supposed Fatal Malady. ... The following remarkable statement by Patrolman George A. Lehnhoff, sixty-first precinct, New York, is made in connection with the much-discussed medicine now being introduced by L. T. Cooper in New York. ... Patrolman Lehnhoff, when seen at headquarters, said: "My mother, living at 880 Union Avenue, Bronx, N. Y., who is seventy-one years of age, has had catarrh of the stomach for ten years. The gas in her stomach pressed on her heart to such an extent that physicians told her she had heart trouble. ... Her condition became so bad that she was taken to the polytechnical clinic on Thirty-fourth street and was examined by a board of physicians, who diagnosed her case as cancer of the stomach. ... She heard of this Cooper medicine and asked me to get it for her. I was skeptical, however, and would not do so at first, but my mother insisted and I finally got the treatment for her, although I did not believe anything could help her. ... She has taken the treatment and does not seem like the same woman. She no longer has any pain in her stomach, can eat anything, attends to her household duties and goes downtown whenever she feels like it, with no fear of being sent home in an ambulance. ... The entire credit for this wonderful improvement in her is due to this medicine. ... Have you tried it? ... The success of your printed matter depends as much on its appearance, as upon what it says ... A. L. Root, Incorporated, 1210-1212 Howard Street, Omaha
