EDMISTEN GOES TO JAIL

Former Populist Leader Gets Fine and Prison.

RESULT OF LAND CONSPIRACY

Verdict of Execution Granted Until December 1, to Allow Prisoner to Arrange His Affairs Before Going to Jail.

Edmisten of North Platte, former state oil inspector and former chairman of the populist state committee, pleaded guilty in federal court to a charge of conspiracy to defraud the government in Thomas county land deals and was fined \$1,000 and sentenced to four months in the Lincoln county jail at North Platte by Judge W. H. Munger Saturday afternoon. Edmisten was indicted by the federal grand jury in Omaha June 4, 1906, on three counts of perjury, subornation of perjury and conspiracy, and on June 15, 1906, of forgery in seeking to defraud the government out of one title and possession to large tracts of land in the North Platte land district. The case was called for trial February 23, 1907, but the defendant failed to appear and his bond of \$5,000 was declared forfeited. On April 3, of the same year, on motion of his attorneys and on proper showing the order of February 23, forfeiting his bond was vacated. The trial was set for some months later, but the defendant was unable to appear on account of illness and the case has been continued up to the present time. Mr. Edmisten was in court with his attorneys, W. S. Summers of Omaha and E. B. Strode of Lincoln. Both attorneys made an earnest plea for a light sentence in view of the long public service of the defendant and his hitherto good character. Upon the request of the attorneys for the defendant, a stay of execution was granted until December 1, to enable the defendant to arrange his affairs prior to entering upon his term of imprisonment. The Lincoln county jail was selected as being the present home of the defendant. The plea of guilty was made upon one indictment for conspiracy, the other indictments for perjury, subornation of perjury and forgery being dismissed by the United States district attorney.

CLYDE COMES TO PLYMOUTH

Watertown, S. D. Clergyman Accepts Call to Pastorate in Omaha.

Rev. J. P. Clyde of Watertown, S. D., has accepted the call to the pastorate of the Plymouth Congregational church, Spencer street and Florence boulevard, and will enter upon his new work the first Sunday in December. He will succeed Rev. P. W. Leavitt, who resigned last July to become principal of Franklin academy. Since that time the church has been without a pastor, the pulpit being supplied by other ministers. Mr. Clyde, who is at present pastor of the First Congregational church in the fourth largest city in South Dakota—Watertown, with a population of about 8,000—will come to Omaha with a record of a good work well done, and Plymouth church, the third largest of the nine Congregational churches in this city, looks forward to an era of growth and good fellowship under his ministry. The new pastor has ministered to the wants of the South Dakota congrega-

PYTHIANS NEXT WELCOME

Knights Will Be in Omaha and Their Name Will Be in the Big Arch.

"K. of P.—Welcome." This will be the next lettering to appear in the new welcome arch across Farnam street, by the city hall, and the city electrician has the letters all ready to put up on time, and not a day or two late as has been the case at other times by reason of authority not having been given him to procure them. The letters will be put in place on the arch Monday morning to welcome the delegates who will come to the city that day to attend the celebration of the fortieth anniversary of the founding of Pythianism in the west.

CREDITORS GET PAID IN FULL

Omaha Loan and Trust Company Will Pay Dollar for Dollar.

POTTER DISCLOSES IT IN REPORT

Receiver Shows by Statement Balance Outstanding to Be \$24,045, and This Will Be Carefully Liquidated.

Creditors of the Omaha Loan and Trust company, which failed six years ago, will be paid 100 cents on the dollar. This gratifying condition is disclosed in the report of the receiver, William K. Potter, which has been approved by Judge Kenneth of the district court. The report shows the balance of claims now outstanding to be \$2,645.08 and Judge Kennedy has ordered the receiver to pay these in full on his showing that there is money enough in his hands to do so. Mr. Potter has practically wound up the affairs of the company and the report made Saturday is practically a final report, though a subpoena showing that the money has been paid will have to be filed later. All that remains now is the payment of the money. When the company failed six years ago it had creditors scattered all over the country and it was feared for a time they would receive only a small proportion of their money. Mr. Potter was appointed receiver by the court and during his receivership he has made cash collections amounting to almost \$1,500,000. He now has on hand a cash balance of over \$7,000, which is more than enough to wipe out all the unpaid indebtedness. An unusual feature of the receivership is

WAREHOUSE OF SIX STORIES

International Harvester Company Gets Permit for Erection of New Building.

Building permits were issued by the city building department Saturday for the erection of the six-story brick warehouse of the International Harvester company of America, the permit calling for the expenditure of \$65,000 in the erection of the building. The new warehouse will be built on the south side of Capitol avenue, between Eighth and Ninth streets, the foundation for the structure being now nearly complete. The Harvester company's warehouse will have a frontage of 130 feet on the avenue and will be 81 feet deep. It will be six stories high above the foundation and will be as near fireproof as it can be made, fireproof brick and concrete to be used in its construction. E. D. Pitts of Chicago is the architect and McGowan & Jacobberger of Omaha are the builders. The work of the superstructure will begin at once and will go ahead rapidly despite the weather conditions. Other permits issued Saturday include the following: W. H. Hatteroth, Thirty-fourth and Arbor streets, frame dwelling, \$5,000; D. V. Sholes company, Thirty-fifth and Martha streets, frame dwelling, \$1,500; L. J. Nelson & Co., Tenth and Seward streets, frame shed, \$500.
