Profitable Racing Season.

IOWA FALLS, Ia., Nov. 38.—(Special.)— John G. Buckton, formerly of this city and one of the best known horsemen in the state, finds at the close of the recent racing season that he has two horses in his string season that he has two horses in his string that placed nearly \$4,000 on the credit side of his bank account in the way of winnings over the northwestern and lowa circuits. Don Roma with a record of 2.06½ has been a big winner for several scusons and this season was compelled to go in some very swift company on account of his classification, yet he pulled out with \$2,135 in purses to his credit. Red Milds, a new addition to Mr. Buckton's string this season, made a good showing, winning \$1,465 her first season. She has a record of 2.12½, yet it is said she has paced several half mile tracks in 2.10.

Nelson to Fight Welsh.

LOS ANGELES Nov. 30.—Battling Nelson has made a favorable reply to the offer of Freddle Weish for a forty-five-round contest for the lightweight championship and a \$5,000 side bet, but declined the offer for the present. His reply, which Baron Long of the Jeffries Athletic club received yesterday is as follows: Long of the Jeffries Athletic club received yesterday is as follows:

"Thanks for consideration. Busy writing book, building twenty houses, etc. Time taken to latter part of January. Weish more eligible than McFariand. Consider Weish later. Regards to all."

This is taken here to mean that Nelson considers Weish as having a better claim upon him for a championship hattie there. a championship battle than Packey McFarland has at this time.

No Game with Ida Grove.

IDA GROVE, Ia., Nov. 30.—(Special.)— The Omaha High school foot ball team, nterscholastic champions of Nebraska, taked yesterday for a post-season game to asked yesterday for a post-season game to be played in that city either December 5 or December 12 with Ida Grove, but the team here went out of training on Thanke-giving day as soon as it was known that the Oskaloosa game was off, and no post-season games will be considered. A Chi-cago eleven and several lowa high schools have asked for post-season games this year with the chaundons but the answer teal with the champions, but the answer will be the same—the season is over. Next summer when it comes time to making up the schedule Ida Grove will be giad to hear from some of the many teams that now seem so anxious for games.

There be those who do not like to be worked up to this point, but they are not so many, as the incessant search for new devices of this kind proves.
