Big Game at Diets Park. The annual Carnegie foot ball game will be played out at Diets park. Thirtieth and Spalding streets, next Sunday afternoon. Everybody will be admitted free, and as the seating capacity of Diets park is 4,000 a large crowd is expected. The game will be between the Excelsiors and Monmouth Parks, and that it will be holty conlested is assured by the fact that the boys will be fighting for the championship of teams averaging 150 pounds or less. The Mon-mouth Parks have suffered only one de-feat so far this season, and that game was loat to the fast Belmont aggregation, by a low score, but as the Belmonts av-erage weight is 160 pounds they are not in the above championship class. The Ex-celsiors have a clean record and they are all confident of winning the pennant. These two teams have played one game These two teams have played one game already this season, which resulted in an 0 to 0 tie. The Monmouth Parks will strengthen, their team by using Whinnery of the Dictz team. Whinnery was the star tackle of last year's high school team, and will be the heaviest man on the Mon-mouth Park team. The Excelsiors will use Quigley of the Dictz team to offset Whinnery's work. stomach Trouble Cured For A Prominent West Point, Neb., Farmer.

A triumph for the United Doctors modern, intelligent and scietific methods is recorded in the successful removal yesterday of a large tapeworm which had been living in the stomach of Lawrence Secman of West Point, Neb. The United Doctors removed the worm, head and all, and thus cured his stomach and bowel trouble in two hours' time, using but one dose of pleasant medicine to make the cure. Mr. Seeman writes of his case as fol-

"WEST FOINT, Nob., Dec. I, 1908 -- I had been troubled with a tapeworm for about one year. I had some trouble with my stomach and howels, but the principal troude was knowing that I had the tapeworm and could not get rid of it. I had made attempts to get rid of the worm, but could get only part of it. Last week I saw an article in the newspaper telling how the United Doctors had succeded in other cases, so I decided to give them a trial. I went to the United Doctors this morning at 9 o'clock; they gave me one dose of medicine which was pleasant to take and did not make me sick at all. In about two hours I passed the worm, head and all, and am certainly pleased with the way the United Doctors used me. I am a farmer and live six miles northeast of West Point, Neb. If any one writes me about this I will answer their letter.

(Signed) LAWRENCE SEEMAN." The Omaha Institute of the United Docors is located on the second floor of the Neville block, corner Sixteenth and Harney. The diseases treated by the United Doctors are the Blood, Nerves, Kidneys, Liver, Lungs, Heart and Bowels, including Rheumatism, Constipation, Catarrh, Gallstones, Asthma, Neuralgia, Diseases of women and Diseases of men.

It is the invariable rule of the United Doctors to accept only curable cases for treatment. No money will be accepted from incurables. The generous free offer of free examination and treatment at cost is extended to all who call before December 20th.

## CURES Denver....17 40 1 3 4 1 ... 61 Lincoln....13 32 2 1 1 4 ... 61 JI 24 1 ... 61 PITCHERS-WIN AND LOSE. **D.** CHRONIC ULCERS

.....

Any chronic ulcer shows an unhealthy and impure condition of the blood. It is a diseased condition of the flesh at that particular spot, caused and kept inflamed and irritated by a continual discharge into it, of unhealthy matter from the circulation. No treatment can have any curative effect except a medicine which will renovate the blood and entirely remove the cause. Salves, washes, lotions, etc., are sometimes helpful in reducing inflammation, cleansing the ulcer, or perhaps lessening the discharge, but such applications do not reach the blood where the disease germs are located and can never effect a cure. S. S. S. goes down into the circulation, drives out all impurities and morbid matter, and by nourishing the flesh with rich pure blood causes the place to heal naturally and permanently. S. S. S. does not make a surface cure, but by beginning at the bottom, and rebuilding broken-down tissue, and supplying healthful, healing qualities to the blood, causes the place to fill in with new, firm flesh, while it steadily but surely effects a permanent cure. The ulcer can not exist when the blood is pure, and S. S. S. will thoroughly purify the blood. Book on Sores and Ulcers and any medical advice free to all who write.
