BAR WANTS NEW DIVORCE LAW

Omaha Association Also Favors More Salary for the Federal Judges of Nebraska.

Resolutions advocating changes in the divorce laws and making the required residence in the state one year, approving of the raising of the salaries of the federal judges and petitioning the retention of the present court commissioners for four months, were adopted by the Omaha Bar Association in a meeting held in the Commercial club rooms Saturday evening. Fifty members of the association were present. The resolution on the divorce laws was referred to the legislative committee, composed of E. G. McMillon, J. A. Kennedy, J. L. Kaley, Oliver Erwin and W. Woodruff, with instructions to draft a law in accordance with the resolution. This resolution reads: Resolved, That it be the sense of the Omaha Bar Association that the divorce laws of Nebraska be amended so as to require the required residence of the plaintiff at least one year, and that our divorce laws be otherwise strengthened, particularly with reference to notice when the defendant is a nonresident, and with reference to curtailing the present facility of remarriage after divorce.

The present salaries of federal judges in this state are \$6,000 and \$7,000. The association recommends raising them to \$9,000 and \$10,000. The association also believes it would be desirable to retain the four commissioners appointed to assist the supreme court, until April 4, 1909, so as to bring the work of the court up to date, thereby enabling the new court of seven judges to keep abreast of their work.

SHOE SUGGESTIONS FOR CHRISTMAS

A useful Christmas present is always the best kind to give. Shoes and slippers are both useful and acceptable.

A pair of slippers for father or brother will surely please them. A pair of nice house shoes or Romeo slippers for mother or sister is always acceptable. A pair of nice, warm shoes or slippers for grandma or grandpa will be just the thing. A pair of shoes for the boys—the girls, babies will be the best gift you can make.

"Christmas Chimes"

Are the most popular Novelty ever introduced and are made to fit on the top of Christmas trees

They consist of 6 Beautiful Angels, 3 Candlesticks, 3 Tuned Bells and a Turbine, while above all shines the Star of Bethlehem.

Our "Christmas-Chimes" are 10 inches high and made of fine nickel-plated metal and are so constructed that when the candles are lighted the Turbine goes around and the Bells begin to play. The effect is something wonderful, adding immensely to the solemnity of Christmas, and young and old feel a thrill of joy and surprise when entering into the presence of a lighted Christmas Tree beholding the silver-like Angels, while sweet music sounds through the room, heralding the birth of Christ.

Our "Christmas-Chimes" can also stand by themselves, so that parties who do not desire to go to the trouble of fixing up a Christmas Tree can place one or more on a table and arrange presents, flowers, etc., around them with the same wonderful effect. As our "Christmas-Chimes" are unbreakable they can be used the whole year round on many other occasions, as balls, parties, birthdays and other festivities, when they always will bring joy to the participants.

We offer these beautiful "Christmas-Chimes" to our subscribers for only 50 cents. Out-of-town subscribers add 11 cents for postage and we will send them by mail. THE OMAHA BEE, 1702 Farnam Street, Omaha, Neb.

CHRISTMAS SHOPPING

In other parts of this paper will be found advertisements of the different retail merchants of the city, urging shoppers to do their Christmas shopping early.

We also urge the public to take time by the forelock and shop in comfort by shopping early.

In a short while, when there is but little time left before Christmas, everybody will hurry down town and return on the cars loaded down with packages and bundles; and although we will make every effort to provide adequate facilities to carry the crowds, we know there is bound to be severe congestion. Therefore, take advantage of this splendid weather, the unbroken stocks of merchandise at the stores and the opportunity to travel in safety and comfort before the rush commences.
