This same land if set out in orange trees, grapes or peaches, is worth from $500 to $1,000 an acre. So you can see even a ten-acre tract will make you independent, and live in a beautiful climate all the year round. Send for our booklet, giving full particulars. In case you go to look over the lands we are offering, and if there is anything misrepresented in the booklet, all expenses you have been to will be refunded.
