BOWLERS PLAYING HARD PINS

Wilson Misses the Persimmons by Splits and Errors.

CHABOT IN SECOND DIVISION

Some Fast and Furious Bowling to Seen on All the Alleys During Week of Corn Ex-

position.

Bowling stil continues to clinch its hold on the indoor athietes and has been the principal sport of the week. One of the noticeable features of the week's bowling was the three good games played by Jimmie Hester's team, which team is now high for the prize bicycle. The Loyal Hotel Jewelers are gaining ground and right in the game, having cut out blowing pina. James Wilson had a good chance for three high games last week, as he started out like a whirlwind, but a couple of sphits and errors in the last game pulled him down. Charley Ortman is going some and has ruised his average every week until he is now among the top-notchers and at the rate he is climbing at present he should be at the top of the stairs before the season is over.

sen is over. Last week was a strenuous one Last week was a strenuous one among the Commercial league bowlers on the Metropolitan sileys. A general shifting of teams in the standing resulted. While the Brodegaard team still holds the lead with a safe margin, the Bicycle team, winners of last year's pennant, step into second place. The Postofice bowlers took a hard fail out of the Chabot team and dumped them into the second division.

Among the individuals, Ferree, who has played but six games, leads, with 190. Carman has replaced Drinkwater for the real lead. He also set a new mark for the league bowlers, with his total of 642 in three games.

MARSHALLTOWN, la., Dec. 12.—(Spenial.)—The annual meeting of the Central Base Ball association, formerly the Central Iowa league, will be held in Keckuk, Ia., next Tuesday. Both Hannibal. Mo., and Galesburg. Ill., are making a determined fight for the place made vacant, when the league, ousted Oskalocsa late in the fall. Hannibal seems to have the advantage in the possibility of being chosen, because t is able to show larger attendance and receipts for games played last season by as semi-professional team than is Galesburg.

Big Track Meet in Spring. MOWA CITY, Ia., Dec. 12.-(Special.) That sentiment favoring a big track meet in the spring and the abolishment of rules regarding summer base hall playing by college athletes is gaining ground among the members of the Missouri valley conference is certain. While the local authorfiles, because of Iowa's "Big Eight" connections, are not outspoken in their views, many other prominent authorities in the Missouri valley schools are discussing

OMAHA TO GET BIG GAME

Cornhusker Management Planning Next Year's Schedule.

EITHER WISCONSIN OR ILLINOIS

Uncertain Yet Which Team, Because Big Eight Games Are Not Yet Arranged - New Athletic Field.

LINCOLN, Dec. 12. - (Special.) - 11 to present plans of Manager Earl O. Eager of the Nebraska athletic teams carry, Omaha will be the scene in 1909 of a great foot ball game between the Cornhuskers and either Wisconsin or Illinois. The Nebraska manager is now making out the Cornnusker schedule for next fail and is negotiating with these two schools in an effort to get one of them to come to the metropolis of this state. At the present time it looks as if he will succeed in his attempt to get the big game for Omaha.

Both Wisconsin and Illinois are willing to meet Nebraska, but are not decided as yet whether they want to come west for a game or remain at home and play the Cornhuskers next fall. A contest with Nebraska in Omaha looks like a good proposition to the managements of both the Badgers and the Illini and they are not hesitating about scheduling the game because they fear it would be a failure financially. It is because other schools which

they will meet have not yet been dated. Illinois and Wisconsin both hope to play Chicago and Minnesota and also to have a game between themselves. Until these games are scheduled and the dates fixed up neither of the prospective opponents of the Cornhuskers is willing to agree to come west for a game. Each wants to make its Big Eight dates and then Nebraska will be first choice for any of the remaining places on its schedule. Then it will depend on what date Nebraska selects whether one of these two schools will agree to come west or to play at home. Many Hard Games Avoided.

If, after both Wisconsin and Illinois have arranged their conference games, the Cornhuskers can give either of them a date which will not fall too close to one of its hard games a contract for a contest in Omaha will be closed. Both the Badgers and the Illini are opposed to arranging several hard games in a row or to taking Sharp said he did not understand the their teams away from home on a long ATHLETIC SCRAP SETTLED sharp said he did not understand the their teams away from home on a long charge and a plea of not gullty was enweek before one of their conference games. With the Ames game last fall it became the settled policy of the Nebraska management to give the Omaha foot ball enthusiasts a big annual game. In the big crowd act only in an advisory capacity to the barge was nearly cut through and those itself to be a better foot ball city than Lincoln, and the Nebraska manager is now sorry that he did not realize that fact before and give the metropol's games in several years previous to this fall. In taking a game to Omaha next season Nebraska's home schedule is likely to be limited to one big game, for the Cornhuskers will play but five games with majorelevens in 1909. They are now under contract to meet Ames, Iowa and Kansas and are nearly certain to have an annual contest with Minnesota. Contracts have been signed to meet both Ames and Kansas away from Lincoln. Minnesota will not come to Lincoln and Nebraska will have to play in CONSTANTINOPLE, Dec. 12-The Minneapolis. Iowa, then, is the only team of these four that will come here.
