

GRAIN AND PRODUCE MARKET

Wheat Liquidation is Extremely Free During the Last Week.

FLOUR TRADES WERE LIBERAL

General Tone Has Remained Steady During the Entire Week and Reaction is Strongly Predicted.

OMAHA, Dec. 11, 1936. Liquidation in wheat has been extremely free during the last week and traders on the floor have been liberal, says editor. This has had a disastrous effect on the price of wheat, which has fallen to a level which shows a loss of 2 cents. The general tone, however, has remained steady during the entire week and a reaction is strongly predicted.

Receipts of corn continue increasing and export demand is very poor, and unless a good export market develops in the near future, it will undoubtedly sell lower.

There was a resumption of the selling of wheat that has been under way directly after the opening every day this week and the week ending last. There was a slight buying at the low prices and as a result the price was firmer at improved figures.

The corn market displayed a somewhat steadier tone and a slight recovery in the price. Reports are liberal, but advice shows that the marketing of corn has stopped at certain stations as a result of the lack in price.

Primary wheat receipts were 12,500 bushels and shipments were 11,500 bushels, against receipts last year of 10,000 bushels and shipments of 10,000 bushels.

Corn receipts were 10,000 bushels and shipments were 10,000 bushels. Corn receipts last year of 10,000 bushels and shipments of 10,000 bushels.

OUR "Christmas Chimes" Are the most popular Novelty ever introduced, and are made to fit on the top of Christmas trees.

They consist of 6 Beautiful Angels, 3 Candlesticks, 3 Tuned Bells and a Turbine, while above all shines the Star of Bethlehem.

Our "Christmas-Chimes" are 10 inches high and made of fine nickel-plated metal and are so constructed that when the candles are lighted the Turbine goes round and the Bells begin to play.

Our "Christmas-Chimes" can also stand by themselves, so that parties who do not desire to go to the trouble of fixing up a Christmas Tree can place one or more on a table and arrange presents, flowers, etc., around them with the same wonderful effect.
