A Victor Message

A wise man said, "Let me make the songs of the people and I care not who makes the laws." There is something about a good song which leaves not only a lasting impression on the mind but a living impression on the soul, when the wisest council we ever listened to is forgotten or the stirring words of some brilliant orator are only a blurred memory. The strains of some song that reached the heart, in the long, long ago, break in on the mind in the most unexpected time and place converting what might have been a gloomy hour into one of pleasant reflections on the days of Auld Lang Syne.

Get a Victor and live in the present as well as in the past.

98c Hartz Mountain CANARIES

When it's a question of price alone—we are always prepared to equal any competitor's quotation—and then some. At the price of 98c each we will sell you a Hartz Mountain Canary, but we cannot guarantee singers—but we do furnish

Guaranteed Singers at \$2.50

No one may hope to equal our importations of guaranteed Hartz Mountain Singers. Domestic stock is a rank imitation and will not come within several miles of giving satisfaction. Come and see our Hartz Mountain Singers—hear them, then you'll know the difference between the real thing, and the imitation. Satisfaction guaranteed—or birds exchanged.

Each Singer is sold with a written guarantee.
