13 Per Cent on Your Money
Three-story brick in Lincoln. It is unfortunate that the owner is compelled to make immediate sale, but such is the case. She is an aged widow and has assumed full charge of the property for many years. Now being called to Idaho for the remaining days she is forced to sell and willing to accept $45,000 for quick action. She will even consider $25,000 cash and first mortgage drawing 5 per cent for balance, and with a complete abstract of title, will convey the property to the purchaser with good warranty deed, free of all encumbrances. Annual receipts are $6,573. This is without question the best and safest investment on the market today.
