John Smith, for Being to Com-
mitting a Crime.

THROUGH MEANING AND ORGANIZING
the stomach, liver and
brought into vigorous action, digestion is promoted, whereby
the blood is enriched and purified, disease-producing bac-
teria destroyed and expelled from the body, and a
long list of skin ailments, abrasions and kindred affections are
overcome and sound, vigorous health established.

The "Discovery" contains no alcohol and no habit-forming drugs, and has
its every ingredient printed on its wrappers. This OPEN PUBLICITY is a
first of its kind from the ordinary confectioners with which it has no re-
lation. Physicians, therefore, do not hesitate to prescribe it in bad cases of
indigestion, morbid liver or biliousness and in skin and blood affections. People
of intelligence and keen discernment employ it. The "Discovery" is a pure
glyceric extract of native medicinal roots of great curative potency, and can in
case do harm to either child or adult. The aged find it a great invigorator.

You can learn more about this time proven and popular "Discovery" from
the People's Common Sense Medical Adviser, by Dr. R. V. Pierce, a newly
revived, up-to-date edition of which is now offered, in cloth covers, post-paid,
for 31 cents in one-cent stamps, in cover cost of mailing only; or in paper cov-
ers 21 cents. Address: Western Drug Company, 603 Main Street, Buffalo, N. Y.
