CHANGE IN 'PHONE CONNECTIONS

Liberty Company Discontinues Use of the Bell.
BEATRICE, Neb., Dec. 22.—(Special Telegram.)—At a meeting of the stockholders of the Liberty Independent Telephone company at Liberty today it was voted to discontinue with the services of the Nebraska Telephone company and that concern was given thirty days to disconnect with the Liberty company. When the Liberty company entered into a contract with the Bell people some time ago it cut out the lines of the Home company which connected Blue Springs and Beatrice with Liberty. This action occasioned considerable strife among the companies, which resulted in the Liberty company being ordered to disconnect its line today. Several representatives of the Blue Springs company attended the meeting and the action of the Liberty company will result in service again being restored with the Blue Springs concern.

TWO MEN FIGHT EXTRADITION

Silvers and Mauve Resist Being Taken to Lincoln for Trial.
SIOUX CITY, Ia., Dec. 22.—(Special Telegram.)—C. W. Silvers and Buck Mauve, who are suspected of burglary jobs in both Des Moines and Omaha, are putting up a hard fight against returning to Lincoln, where they will be charged with having burglarized the Miller & Paine store. Detective James Malone of Lincoln arrived this morning from Des Moines with requisition papers and was on the point of putting the arrested prisoners in a car to take outside the county jail to bring them across the river to Nebraska when Wilbur Owen, their counsel, dashed at breakfast speed into the court house yard and demanded of Jailer McDougall that he serve habeas corpus papers on Malone. The men were taken back to jail and the habeas corpus hearing will be held January 4.

Case of Swift Justice.

M'COOK, Neb., Dec. 22.—(Special.)—Red Willow county furnishes a case of swift justice. Joseph S. Calvert robbed an intoxicated friend Saturday night, was arrested on Sunday, appeared in district court today and pleaded guilty and was sentenced to one year in the penitentiary, to which he was taken by the sheriff the same night. The amount involved was \$60. Calvert is 23 years old.

DEATH RECORD.

Mrs. Henrietta Jackson.
SIOUX CITY, Ia., Dec. 22.—(Special.)—Mrs. Henrietta Jackson, who died at her apartments in the Mandamin hotel Sunday after a lingering illness, first visited Sioux City in 1933, and it is probable that no other living person had set feet on the present site of Sioux City at that time. She was born in New Orleans, the daughter of Charles A. Aubin, an artist. Upon the death of her father her mother married Dr. John K. Cook, who subsequently laid out the towns of Omaha and Sioux City. Dr. and Mrs. Cook and Miss St. Aubin were in Council Bluffs in 1832, and in that year Miss St. Aubin married James A. Jackson. The following year Mr. and Mrs. Jackson made their first trip to the trading post which marked the spot where Dr. Cook and Mr. Jackson bought land and laid out the town of Sioux City. Mrs. Jackson once owned the present site of Morningland. At the time of her death she still was a large owner of property in that suburb. Mr. and Mrs. Jackson lived in Council Bluffs until 1928, when they moved to St. Louis, where they lived until 1937. Mrs. Jackson was in the wholesale grocery business and also operated a line of river packets. In 1887 they removed to Sioux City. Mrs. Jackson is survived by her two children, A. M. Jackson of Sioux City and Mrs. Georgia Jackson-Wilson of Galena, Kan.

Rev. Ashton.

SEWARD, Neb., Dec. 22.—(Special Telegram.)—Roy Ashton, who was injured in a mine at Cripple Creek, Colo., a week ago, died yesterday and the body is being brought to Seward for burial. The funeral will be held Thursday. Young Ashton was 28 years of age and was a brother of Mrs. Burdette Boyes of this city.

Mrs. Ellis Thomas.

BEAVER CITY, Neb., Dec. 22.—(Special.)
Mrs. Ellis Thomas, wife of one of the oldest and most prominent farmers of Furnas county, died at her home near here today after an illness of but a few hours. She leaves a husband and a son and daughter.

Bishop J. S. Michaud.

NEW YORK, Dec. 22.—The Right Rev. John S. Michaud, bishop of the Roman Catholic diocese of Burlington, Vt., died at St. Vincent's hospital today.

Defendant Wins Suit.

SIOUX FALLS, S. D., Dec. 22.—(Special.)—After being out all night, a jury in the state circuit court for Lyman county returned a verdict for the defendant in the case of Rosendahl against Mattson, which was of a sensational character. Rosendahl accused a Mattson of having alienated the affections of his wife, and sought to recover damages in the sum of \$10,000.

Four Years for Fraud.

ST. LOUIS, Mo., Dec. 22.—Years in the penitentiary was the sentence pronounced today upon Thomas McGrath, convicted of fraud as a judge of session in the Second precinct of the Third ward at the last general primary. Judge Shields sentenced McGrath to a year in court and McGrath was released on bonds.

DAME NATURE AS A CHEAT

Bald-Headed Clan Think the Hair Distribution Unfair.
OMAHANS HEAR ABOUT "Q-BAN"
The Southern Formula Which Is a Source of Gratification to Hundreds of Nebraska Women Who Have Found Promises Fulfilled.

Whenever a bald-headed man gazes on another fellow with a wealth of Buffalo locks, he feels as if Dame Nature had cheated him in the distribution of hair. Ten per cent of people who are bald couldn't coax another growth of hair if they had a hundred years to devote to experiment. It is not to these souls that Dr. Nutt's Q-ban Hair Restorer appeals. The other 90 per cent, however, are interested. They're good reason to be. Hair that is falling because of dandruff, is effectively saved by the use of this preparation. In no sense of the word a dye, this Q-ban Hair Restorer will bring the natural color of youth to gray hair. Beards that are thinning with gray are restored to their original color, through the use of this wonderful discovery of Dr. Nutt.

The results are so sure that The Henshaw-Ellice Drug Co. of Memphis, Tenn., have authorized the Myers-Dillon Drug Co., who represent them here, to give one big bottle of the Q-ban Hair Restorer for nothing.

If a full treatment of three bottles does not bring results promised—a restoration of the color of youth—then all money paid will be refunded. Ladies find this preparation highly effective for the toilet. It stops itching of the scalp and keeps it sweet, pure and wholesome.

RETIRED FARMER ENDS HIS LIFE

H. A. Silver Hangs Himself While Dependent.
SEWARD, Neb., Dec. 22.—(Special Telegram.)—H. A. Silver, a prosperous retired farmer living in Tamora, the first station west of Seward on the Burlington road, committed suicide this morning by hanging himself in an outbuilding. S. Brown, a general merchant of Tamora, failed a short time ago, owing Silver about \$300. The loss of this money seemed to prey on his mind, as he had been worrying about it, and it is thought that he took his life while temporarily deranged.

Silver made so much noise in the outbuilding that his wife, hearing the commotion, rushed out, but before she could cut him down he was dead. County Coroner Workman was summoned from Milford and an inquest was held this afternoon.

New Cabinet Representative.

The composition of the new cabinet is regarded as representative and as holding good promise for successful administration. Minus Tebar, the minister of finance, is a noted engineer and in 1899 he was a candidate for the presidency. General Regulo Olivares, the new minister of war, is regarded as one of the best military men in Venezuela today. Senor Maldorado, the new minister of public instruction, is an author of considerable note. Linara Alcantara, the minister of the interior, was for many years president of the state of Aragua. He is considered as a likely candidate for the presidency.

Rafael Carabona, the new minister of development (fomento), is a young military leader of much prestige.

His appointment is regarded as a prominent in affairs of state during the epoch of Guzman Blanco and he enjoys great influence throughout the republic. The minister of public works, Roberto Vargas, is a general of note and is considered to have a brilliant future. It is generally admitted that the new cabinet is a strong one and especially well qualified to handle any possible contingencies.

Acting President Gomez has given orders that all the political prisoners in Venezuela be set at liberty.

Transshipment Decree Revoked.

WILLEMSTAD, Curacao, Dec. 22.—The new Venezuelan administration has revoked the decree prohibiting the transshipment at Willemstad of goods destined for Venezuelan points. This revocation is regarded by well informed persons here as meaning practically the settlement of the dispute between the two governments.

The measure in question has been the principal difficulty in the strained relations between Holland and Venezuela.

The deduction from the latest news received here from Caracas—the enforced resignation of the Castro cabinet—is that the reign of President Castro in Venezuela is over.

might "drop" today, certainly tomorrow, of much public interest.

Chief of Detectives in Net.

Another sensation developed today when it became known that Director of Public Safety Lang had demanded the resignation of Captain of Detectives Edwin T. McGough. This action followed a conference between Mayor Guthrie and Director Lang while they were in attendance last night at the meeting of the Voters' League, who caused the prosecutions against the councilmen and bankers. Director Lang said today:

"My reason for asking Captain McGough for his resignation has nothing to do with the arrest of the councilmen. There was another reason and a more serious one, but what it is I will not discuss."

Reports are in circulation, however, that

HERDMAN MAKING SPEAKER

season it is obligatory upon him to file with the secretary of state an itemized statement of the amount of money he has spent during the session. That is if he gives a certain member \$3 worth of theater tickets that item must appear, or if he gives a dinner to members that item must appear. The law is not definite whether he must also give the amount of his losses in a poker game with members, but it may all expenses in connection with the legislation, so that item probably must be included.

Now, if the lobbyist doesn't do all that

he will be subject to a jail sentence of one year or a fine of \$1,000. The corporation is subject to a fine of \$1,000. If the expense account is not filed within two months, the corporation is subject to a penalty of \$100 a day until it is filed.

None of which applies to agents of counties,

cities, towns, villages, public boards and public institutions. Nor to lawyers who merely draft bills and tell those interested what certain legislation will do to their business.

County Clerks Lose Money.

County clerks are finding that under the present game laws that portion relating to the issuance of licenses is a costly proposition. One county clerk sent in \$35 and told the state treasurer he had collected only \$30, so was out the difference. Parties from towns in the county would call up and ask to be mailed a license and the money would be forthcoming. Then the money would never come.

A brief was filed with the railway commission in the case of the Craig Lumber company of Omaha and the Pineau Lumber company against the Chicago, St. Paul, Minneapolis & Omaha railroad, charging excessive rates on lumber and material between the two points. The brief was the work of Ben T. White and C. C. Wright and touches on two points. The railway commission, it says, has no authority to order a reparation for overcharges.
