BURT SUCCEEDS STICKNEY

Former President of United Pacific Becomes Receiver for Chicago Great Western.

ST. LOUIS, Dec. 22.—A. B. Stickney, president of the Chicago Great Western railway, who, with C. H. F. Smith, was appointed receiver to look after the affairs of the road last summer, today resigned his receivership, and Judge Walter H. Sanborn of the United States circuit court appointed Horace G. Burt, former president of the Union Pacific, as his successor.

There are persistent rumors to the effect that Mr. Stickney will in the near future resign from the presidency of the road owned by the United States railway company and as such I feel that I owe a duty not to any special class of stockholders, but equally to each and every class.

NEW YORK, Dec. 22.—With "A Battle Over the War Begun" as his text, William Jennings Bryan tonight declared that the republican party must continue its fight for reform and that he would not give up the principles for which he has fought.

Mr. Bryan spoke at a "dollar" dinner given by prominent democrats of the ccker regions, following the delivery of his grand march in the city for the benefit of the Unton town hospital.

Mr. Bryan's political address was in part as follows: "If there is one state in which the democrats are not expected to abandon a principle merely because that principle embodied in a platform has failed to win the support of the majority, it is Pennsylvania."

Mr. Bryan said that the republican party would not meet the expectations of the people and the voters would find relief only in the application of democratic principles.
