Little Seam Through the Center Makes Them Last Twice

My everyday absets are made to last : eight street, for the members of the En- long time. They are made from up Seathed cotton because of its durability the case with which it is laundered-after the first few washings and because never discolors with age. Two breadths of the material are basted together, just lapping the solvage edges in a flat seam, and stitched on the machine. This magn is not as objectionable as many women insist upon sewing their abests by hand, appear to think. When the shee has worn thin in the center the seam is ripped and the outer edges are placed together, giving it a new lease of life This is much less work than making new sheets, not to mention the added cost, and experience has proven that there sheets wear much lenger than those made from

the double width bleached sheeting. Removing the lak Stalus.

Ink stains are often very difficult to remove from linen, especially when they have following method of effectually removing ink stains from table lines or any other white material has proved the most satisfresh and will not injure the most delicate fabric if done right. First apply a stain and wash out immediately in soft bangh and Mr. Gilbert Carpenter, whose General and Mrs. W. H. Carlin have cold water. A brownish reliew spot will

Miss Nell Carpenser and Miss Corinns | ply a strong solution of oxalic acid and | Bell it on keep boiling for ten hours. will be thry gold slippers filled with rice. Searle, who have been spending the holf wash out immediately the same as when days at home, will return to Wellesley | coing the bi-chloride of lime. One appliration of the acid is all that is needed.

JURY DISAGREES Unable to Decide Whether Woman Should Be Under Care of Guardian.

After deliberating ad night and half a day, the jury before which was triof the question of whether Mrs. Bridget Ewechey should have a guardian, failed to agree Thursday morning, and Judge Troup, by agreement of both sides, dismissed it. Mrs. Sweeny and her husband, John

Sweezy, were found last summer in a hovel larly and often, great cure should be taken at Elich each and Marcy streets, wi h \$3,000 in the use of the toothbrosh. Vigorous in gold bur ed in the cellar. They had be n liwing in a miserly fishion, eating crusts gum away from the teeth, leaving the co- and water and cooking remnants of ment in mentum exposed to the air, and thus mar- a tomato can. One day in July, Sweeny wandered away and the police were asked them in danger of early decay. It is beat to search for him, He was located and an rumbs, one-half pound of flour, two to give the brush a rotary motion, brush- inw-s; gation of the house resulted in the ound of fine shredded beef suct, two ing the upper teeth downward and the finding of the hidden weath. Over \$1,000 in gold pieces was found in one jar. Friends asked for the appointment of a guardian for Mrs. Ewseny after the death of her bushund, but she resisted the act on and when Judge Lealie appointed E. R. Leary she appealed to the district court where testimony the jurors could not agree whether a guardien was needed or not.
