

PRaises OF THE CORN SHOW

Comments of Agricultural Papers Showing Exposition's Success.

Called Greatest Thing of Kind

"Difficult to Overdraw It," Says One Paper; "Most Excellent Show" and "Genuine Education."

The National Corn exposition, held in Omaha, has been voted a complete success by the scientific men and journals who were interested in it and took the pains to investigate it.

A few extracts from some of the prominent agricultural papers of the country have been collected and here reprinted as reflecting the general sentiment of the papers, which had personal representatives at the exposition.

The significance of the National Corn exposition, held at Omaha, Neb., last week can hardly be exaggerated. It has an importance far beyond the idea suggested by its name.

Imagine several thousand young men and boys coming from the farms in various states to this school of intensive farming, drinking in through lecture courses and practical tests of proven principles.

It has been the effort of the exposition management to convince people that this is not a passing show to be given this year and forgotten next.

It was a most excellent show. For those who attended with a purpose—to learn something—it was educational.

WINDUP OF POULTRY SHOW

Greater Success Than Even Its Promoters Anticipated.

Biggest of Its Kind in West

Kennel Club and Pet Stock Also Proves an Attractive Feature—Larger Plans Being Laid for Next Year.

The fourth annual show of the Trans-Mississippi Poultry and Pet Stock Association and the first annual show of the Nebraska Kennel club closed Saturday night at the Auditorium and both have been most successful.

More people have attended the show than last year, and while the expenses have been greater the poultry show next year will be a neat sun in the treasury with which to plan for a much larger show next year.

Both associations have elected new officers and a new board of directors, both boards being composed of men interested in several lines and big shows for next year.

The display of pigeons has also been encouraged to such an extent that several times as many birds are expected next year. The fact that a game bird class will be held at the show has also encouraged the breeders of game bantams.

Following are the lists of awards: BUFF COCHIN BANTAMS: Mrs. N. J. Foss, Naperville, Ill., first cockerel, first pullet, second pullet, third pullet.

ROYAL ACHATES: Omaha lodge No. 1 gave its first annual masquerade ball Tuesday night, with a big attendance of members.

ECHOES OF THE ANTE-ROOM

Past Masters' Jewels Bestowed Upon a Score of Members of Court

An impressive ceremony was observed by Court lodge No. 1, Ancient Free and Accepted Masons, Wednesday evening, in which past masters' jewels were bestowed upon twenty members of the past masters of the lodge.

Grand Army of the Republic

Grant post No. 119, Grand Army of the Republic, and its auxiliary Women's Relief corps will unite in a public installation of the new officers Tuesday evening in the right hall.

Ancient Order United Workmen

Patten camp No. 127 gave an entertainment Wednesday evening at Workmen temple. The program included vocal and instrumental music and dancing.

Tribes of Ben Hur

Omaha court No. 119 will install officers Monday evening, C. F. Way of Lincoln will officiate as installing officer.

Miscellaneous

Omaha tent No. 15, Knights of the Macabees and the Ladies of the Macabees held a watch night party Thursday evening in the Odd Fellows' hall.

Friday evening Garfield circle No. 11, Friday evening Grand Army and the Union Veterans Union will hold a joint installation of officers in the right hall.

If you will take Foley's Orino Laxative until the bowels become regular you will not have to take purgatives constantly.

MAKING GOOD

There is no way of making lasting friends like "Making Good"; and Dr. Pierce's medicines well exemplify this, and their friends, after more than two decades of popularity are numbered by the hundreds of thousands.

Dr. Pierce's Golden Medical Discovery.

It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is as good as Dr. Pierce's Golden Medical Discovery.

It's an honest, square-deal medicine with all its ingredients printed on bottle-wrapper—no secret, no hocus-pocus humbug, therefore don't accept a substitute that the dealer may make a little bigger profit.

Dr. Pierce's Favorite Prescription

Expecting it to prove a "cure-all." It is only advised for woman's special ailments.

It makes weak women strong, sick women will. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over two decades ago.

As an invigorating tonic and strengthening nerve it is unequalled. It won't satisfy those who want "booze," for there is not a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the original Little Liver Pills, although the first pill of their kind in the market, still lead, and when once tried are ever afterwards in favor.

JEFF W. BEDFORD, JR., IS DEAD

Philippine Soldier and Son of Omaha Councilman Meets Sudden and Sad Death in Montana.

Jeff W. Bedford, Jr., of Hyscham, Mont., 25 years old and of Jeff W. Bedford, councilman from the Twelfth ward and county commissioner-elect from the Fifth district, died suddenly of acute quinsy at Forsyth, Mont., New Year's evening.

He was a graduate of the Lake grade school and had also attended the Farnam school. He belonged to Calvary Baptist church, Twenty-fifth and Hamilton streets.

He was the only child that has occurred in the family of Councilman Bedford, who has had seven children, all of whom are now grown men and women.

He was married to Mrs. Stella Wilson, Omaha; Mrs. J. Lenoir White, Hedroge, Neb. The body of Jeff W. Bedford, Jr., will be brought to Omaha for burial, probably arriving on Wednesday.
