COUPLE FOUND DEAD IN BED

Odor of Chloroform Causes Kansas City Authorities to Suspect Foul Play.
KANSAS CITY, Jan. 8.—Mystery surrounds the death of W. G. Brault, a salesman of 1607 Tower Grove avenue, St. Louis, and his wife, who were found dead in bed in their room here late yesterday. There was a distinct odor of chloroform in the

room when the police entered to investigate the deaths. However, no other evidence that the drug had been used was found.

The coroner asserts that Mrs. Brault killed her husband and then committed suicide. Friends of the couple, on the other hand, believe that the pair met with foul play. Brault was 42 years of age. He came here several weeks ago from St. Louis and engaged in the baking powder business. Mrs. Brault, who is five years

her husband's junior, is his second wife.

ST. LOUIS, Jan. 8.—The woman who was found dead with William G. Brault in Kansas City has been identified as Mrs. Julia Kenner, who until ten days ago lived with her son, William Nye, at 1610 Biddle street. This was settled by a telegram which Nye received today from Mrs. William Wilson of Louisville, Ky., a daughter of Mrs. Kenner.
In an interview today William Nye, son of Mrs. Kenner, declared that just before

she left St. Louis his mother had said to him:

"If I die in Kansas City see that I am buried in the family vault in Louisville." Mrs. Nye said that her mother-in-law explained this statement by saying: "Well, you never can tell what will happen."
Mrs. Kenner introduced her companion to her son's family as "William G. Brandt," telling them that she was going to Kansas City to represent an East St. Louis baking powder concern.

Mrs. Lydia Brault of 1607 Tower Grove avenue is convinced that the

W. G. Brault who was found dead in Kansas City was her brother-in-law. She is unable, however, to identify the woman. Brault's relatives here say that he was divorced about two years ago and that his former wife is now in Michigan. None of them had heard that he had married again. Brault left here ten days ago and had corresponded with his relatives since.
