

PERUNA EDITORIAL NO. 1.

Dr. Hartman is now offering Peruna to the public as a regular pharmaceutical product. It is just as ethical as any compound put up for the medical profession.

The only departure we shall make from medical ethics in the conduct of Peruna affairs in the future, is the fact that we shall continue to advertise and sell our product TO THE PEOPLE.

If we would agree to sell to doctors only, to advertise for doctors only, then the medical fraternity would be obliged to recognize Peruna as being entirely within their approval.

BUT WE SHALL NOT DO THIS. We shall continue to offer Peruna to the people. We shall continue to convey to the people our claims for Peruna as a household remedy. We shall continue to supply the people with free literature, teaching them how to use our medicine, teaching them how to avoid disease, teaching them many things of benefit to the home.

We are proposing from this time on to take the public into our confidence. Notwithstanding that some imitators and substitutes will be attempting to put up something which they consider just as good as Peruna, we are going to draw aside the veil of secrecy and allow any one who chooses to know exactly OF WHAT PERUNA IS COMPOSED.

This ought to disarm all honest criticism. We expect, however, that criticism will continue. On some pretext or other those who are envious of the success of Peruna will continue to find fault. But we are determined to give such people no just complaint.

PERUNA IS A GREAT MEDICINE. It has become a household word in millions of homes. Our faith in the remedy is stronger than ever. Every year we expect to cover new fields in foreign lands until the people of all the world are supplied with this valuable household remedy.

WE CLAIM PERUNA TO BE A CATARRH REMEDY. Buy a bottle and try it. If it helps you, be honest and acknowledge that it has helped you.

If you want us to we will publish your statement exactly as you furnish it to us. We will add no words, take away no words. If you wish us to we will publish your portrait in connection with it. We will not do this without your written request, without your entire consent.

Peruna has benefited thousands of people afflicted with chronic catarrh, in many phases and locations. At least, that is what the people say to us, through unsolicited testimonials. Many thousands more will reap benefit from Peruna in spite of fabricated slanders to the contrary.

WE GUARANTEE EVERY BOTTLE OF PERUNA TO CONTAIN THE INGREDIENTS PRINTED ON THE LABEL.

We have taken great pains that every testimonial we use should be absolutely true, in the exact language of the testifier.

We have taken great pains that every photograph published should be the photograph of the person whose name it bears, that every word of every testimonial should be authorized by the hand that signed it.

We are determined to beat our opponents by being fairer than they are, by dealing squarer than they dare to. We are determined to meet falsehood with truth, duplicity with candor, insincerity with sincerity.

We know that the users of Peruna will appreciate our stand. We believe that the dealers in Peruna will applaud our course. We expect even our opponents will be obliged to acknowledge finally that Peruna is not only an honest and useful remedy, but one of the GREATEST HOUSEHOLD MEDICINES ON THE CONTINENT.

ADDING TO ASSESSMENT ROLLS

Supreme Court Holds in Case from Omaha Assessor May Add Any Property Omitted by Him.

(From a Staff Correspondent.)

LINCOLN, Jan. 9.—(Special Telegram.)—The supreme court this morning refused a rehearing in the case against Captain Allen G. Fisher of Chadron, who was disbarred for one year for presenting a fictitious claim before the legislature. The action of the court means the disbarment sentence will be carried out. The case arose out of a claim Fisher made to the legislature in behalf of the heirs of Herman Goedde, whose estate escheated to the state. The amount demanded was much larger than the amount to which they were entitled.
