Biggest Furniture Sensation in

The biggest selling movement of the kind that has ever been "pulled off" in OMAHA in years — yes in many years. We will have the people of this city and the surrounding country talking as they never talked about a sale before. It is a genuine sensation.

ENDS AT LESS THAN

The goods are all of last Fall's design, but they are to us undesirable because we have only a few articles of a kind—perhaps only the sample piece. So we must sweep away the entire stock—and people have come to know that when Hartman sets out to conduct a clearance he's mighty reckless with the knife and cuts the prices to a degree that most furniture stores would call ruinous. No profit expected—all we want is part of the cost. Biggest bargains you ever laid your eyes on.

Afraid of Ghosts

Many people are afraid of ghosts. Few people are alraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon, Germs can't be avoided. They are in the air we breathe,

the water we drink. The germ can only prosper when the condition of the system gives it free scope to establish it-self and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek,

a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whicky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.
