POSTAL SAVINGS BANK BILL UP

Senator Carter Offers a Substitute for Section Regarding Payment of Interest on Deposits Fixing Rate at 2 Per Cent.

WASHINGTON, Jan. 14 - The Ananias lub was discussed in the senate today by Senator Tillman, who declared that state ments made by Attorney General Bonaparte and Postmaster General Meyer in reply to his reply to charges made against him by the president in relation to his contemplated purchase of Oregon timber lands made them eligible to membership in that organization. He again defended his action, and said in fighting the men who are determined "to destroy" him, he was "prepared for anything, even assassination."

He quoted the portion Bonaparte's . statement of last Monday, in which the latter said that Tillman had not told him of his desire to obtain some of the lands in question and flatly contradicted the head of the Department of Justice. He declared that he had been entirely trank with Mr. Bonaparte and had fully explained to him his interest in those lands. "He attributed the attorney general's attitude to" a desire to "bolster up" the president Postmaster General Meyer was brought into the discussion because of a statementy made by him regard ing the investigation of the Dorr case. Mr. make it appear that the igguiry has been directed originally against Dorr was not based on the truth. He declared that from the first the inquiry had been directed against him (Tillman) and not against Dorr. Mr. Tillman was also careful bring out the fact that the land which he attempted to get was not government land at all, but land granted as far back as 1869 under the condition that it should be rold at \$2.50 per acre.

Mr. Tillman closed with a renewal of his demand for an investigation. He said he was prepared for anything, even the knife of the assassin.

Postal Savings Bank Bill.

The bill to establish postal savings banks and the omnibus claims bill were under consideration during the day. Senator Carter offered a substitute for the section relating to the payment of interest on deposits. The new section provides for the payment each year of 2 per cent on deposits of not less than \$1 nor more than \$500 and accumulated interest. Senator Fulton urged Mr. Carter to permit the bill to go over that the omnibus claims bill might be taken up.
