Which was set for trial of the case of this city on the charge of uttering forged instruments, which was set for trial yesterday, could not be reached by the court owing to the trial of other cases in the leading dealers in champagne, on being asked his opinion of the decree, said:

"It will not affect in any way the in-

"It will not affect in any way the interests of the great brands or the honest commerce in champagne. That abuses should grow up by the side of this honest and prosperous trade was inevitable, and i' is against these abuses that the limitation, now legal instead of remaining moral,

will react. "By including the arrondessiment of Chateau-Thierry, the council of state evidently wished to give satisfaction to the legitimate demands of houses which make champagne at moderate prices, but the great vineyards are all found in Marne, the true and only cradle of the champagns vine. I do not see exactly what Soissons is doing within the limits; it is better known for its beans."

"Why do you think public taste favors dry wines so much nowadays?" "In my opinion the chief reason is that champagne is no longer what it used to be, exclusively a wine for dessert. The fashion of serving champagne from the be-

"Logically the true lovers of champagne should begin a meal with a very dry wine and finish it with a very sweet one. Connoisseurs think most of the vintages of 1889, 1892, 1898, 1899 and 1900, most of which are now exhausted; they are now selecting the 1904 growths, which are just ton graduated from Iowa with a degree of ready and of which they ought to buy a B. Ph. and in 1906 took a degree of MS.

stock." Question in Ethica. The recent railway accident in a tunnel GLENWOOD—J. D. Robbins of Malvern was appointed member of the Mills County Board of Supervisors to fill the vacancy caused by the resignation of James Gregg Ilsion a train took fire, gave rise to a question of Last fall by the entire county after the board had redistricted the county, but his membership was not recognized by the board.

Dr. Bosredon, one of the first medical watchman, a burgiar Thursday night got away from A. M. Greer's jewelry store with a quantity of gold bracelets and two clocks. He missed several thousand dollars' worth of diamonds, watches, and money which it is believed he would have gotten if Frank Suk, the nightwatch, had not scared him away.

MARSHALLTOWN. MARSHALLTOWN—At a special election held at Grundy Center, Grundy county, yesterday a 5 per cent tax was voted to ald the lowa Railroad company, which is going to build from Waterloo to Perry via Grundy Center. At the same election the company was granted a franchise allowing it to use the streets, a gas franchise, a power plant franchise and a telegraph franchise.

"After a hopeless attempt to extricate

"At this moment one of the gendarmes came up and I asked him if he had his revolver. He said he had not. It was no time to debate; immediate death was the only remedy, and I should not have hesitated to use the gendarme's revolver, and I do not think my conscience as a man or as a doctor would have ever reproached me. Unfortunately we had to leave the unhappy man to his fate." Brute Strength Wins.

Jiu-jitsu and brute strength met last Saturday night in Paris, but as the exponent of the former, a Frenchman, Regnier weighed only 136 pounds, while his opponent, a Cossack Russian, Paboudny, weighed 281, and their heights were almost as much in disproportion, the result can hardly be taken as definitive. It only required three minutes two seconds and Regbroke, had given in Yet Regnier, who is the French cham

plon at jiu-jitsu, was the favorite before the match despite the disparity between the two men. Padoubny was allowed any hold by the regulations and it was by a tiu-jitsu hold he made Regnier surrender Regnier tried several times to fix a hold on his massive opponent, but it seemed give Padoubny no trouble to shake him off. Both men were naked to the walst, which is not in accordance with jiu-jitsu wrestling.

The encounter, however, proves nothing. Jiu-jitsu is not a sport and should not be made the object of matches. It is an exercise or a mode of defense, but nothing

OLSON HELD RESPONSIBLE Coroner's Jury Places Blame for Dotsero Wreck on Passenger Engineer.

LEADVILLE, Colo., Jan. M .- Engineer Gustave Olson is alone responsible for the wreck on the Denver & Rio Grande rallroad at Dotsero a week ago Friday, according to the verdict of the coroner's jury which The jury held Olson criminally negligent for failure to obey orders and stop at

Street Car Accidents HAPPEN

DISTRICT MGR.

Because People:

1.—Persist in getting on or off moving cars:

2.—Get off, facing towards the rear of the car;

3.—Run after a car and attempt to board it while it is going at a high rate of speed;

4.—Cross behind one car and step in front of another car coming from the opposite direction;

5.—Turn their vehicles sharply in front of a car;

6.-Use no caution when driving across street car tracks;

And Because Children:

7.-Are allowed to make the streets their playground;

8.—Or steal rides on the cars.

Won't YOU Bear These Tnings in Mind and Assist Us in Preventing Accidents.

Omaha & Council Bluffs Street Railway Company

Ground floor office in The Bee Building

East front on Seventeenth street, one door north of Farnam, size 161/2x401/2. The fire-proof vault in connection with this room is 61/2x121/2 and there is also a cloak and wash room, conveniently arranged. There is an entrance from the court to this room, making a good and accessible office to reach the public. It will be available April first.

Small offices with vaults

Did you ever stop to consider the value of a vault in connection with an office? It gives you a place to keep your books and valuable papers in case of fire breaking out in your office. You don't need to lock up your office every time you are called out. Many customers are lost when they find the door locked and no place to wait for your re-

We offer a small room with vault on the fourth floor just west of the elevator. Easy of access and convenient to the public and the rent is only \$17.50 per month. 542 is the only outside room in the building for rent. Located on

the east front and rents for \$16.00 per month.

The Bee Building Company ASK TO SEE THE SUPERINTENDENT OF BUILDING, ROOM 105.
