peared in the long program of events.

Yale's runners won the college relay race at two miles, with Columbia second and the University of Pennsylvania third.

The last event on the card was a ten-mile scratch run, with J. Lee, formerly of Boston, and now unattached, being the most prominent of the big field during the first five miles. Louis Tewanina of the Carlisie Indian school pressed Lee closely during the running of the seventh mile, he passed Lee in the first lap of the eighth mile, but the New England runner forged shead again and the Indian dogged him a few paces back for the next two miles. Lee weakened during the final mile and Tewanina simply ran away from the big field of fifty-six starters, which had been depleted by half after the fifth mile. Tewanina won out by almost half a lap, with Lee second, the time being 6:54:27%.

DES MOINES, Jan. 28.—(Special Tele-gram.)—The meeting of the Alissouri Valgram.)—The meeting of the Atissouri Valley conference here today decided to hold its next meet in Des Moines at Drake stadium. It discussed summer base ball for five hours, and then left the settlement of the question to a committee composed of Waldo of Washington university, former arbitor of the Chicago conference. Lansdon of Kansas and Beyer of Ames. The training table proposition was not reached during the day, but the meeting adjourned. Ames and lowa have patched up their differences, and will meet in base ball in the spring and foot ball next fall. They meet in baset ball this winter. It is not known when Beyer of Ames and Smith of lowa met, but the decision was reached before representatives of the schools came to Des Moines. Neither team admits wrong. It is simply a resumption of relations.

The foot ball schedule was restricted to eight games, the base ball games to eighteen in a season.

NEW LEAGUE FOR CHICAGO Semi-Pro" Clubs Organize and Will

Ask for Recognition. CHICAGO, Jan. 26.—Although Chicago is already the possessor of two major league base ball clubs, it was announced today that it has been presented with a whole league of clubs, all but one of league of clubs, all but one of the Milwaukee White Sox-within them—the Milwaukee White Sox—within its boundaries. The new organization is called the Chicago Base Bail league and was completed today by an election of officers. The league consists of six "semi-pro" clubs which have maintained an independent existence for several years Harvey T. Woodruff, a well-known local newspaper man, was chosen president. The new organization expects to be recognized by the National commission. A. C. Anson of Chicago and T. S. Andrews of Milwaukee were elected vice presidents.

HITCHCOCK KILLS FIRST DEER Republican Chairman Has Novel Experience Near One of the Oldest Cities in America.

CHARLESTON, S. C., Jan. M .- To kill his first deer, a magnificent buck, within an hour's drive of one of the oldest cities of America was the novel experience to which Frank H. Hitchcock, who is to be postmaster general in Mr. Taft's cabinet was treated today. The hunting party left Charleston at 2 o'clock. Before 5 o'clock a buck had been driven from the swamps by the dogs, past Mr. Hitchcock's stand, and he brought it to the ground. The deer was not killed instantly and Mr. Hitchcock, rushing enthusiastically after it into swamp, had his clothing badly tern in hard fight with the buck before killing it As it was his first deer he was, following the eliquette of the chase, well "bloodied" by his companions.

CARTER GOES TO PHILIPPINES rder Comes as a Surprise to Those Around Department Head-

quarters. The notification received yesterday by eneral William H. Carter, now in comand of the Department of the Missouri, with headquarters in Omaha, that he be ordered to the Philippines, came as a surpise as the general has but lately as sumed command here and had just settled his family with the expectation that he would be stutioned here for several months

Why the War department decided upon the change is not known, as the only information which has been received is telegram received yesterday stating that orders will be issued for the general to sail on the transport leaving San Fran-

cisco, March 5. Upon receipt of the message the general called the staff officers of the department together and informed them of the news but no explanation has been ventured by anyone in a position to surmise the reasons back of the order.

Brigadier General Charles Morton will assume temporary command of the department, but it is not known who will be sent here for permanent duty. Three brigadler generals now in the Philippines will shortly return to the United States, and among these is General Mills, formerly superintendent of West Point Military academy and it is thought possible that he will be placed in command of this de artment. General Mills is one of the best nown officers in the army. At the outreak of the Spanish war he was stationed t Fort Leavenworth and went from there Cuba, where he was struck in the face y a Spanish bullet. He was so badly njured that for a time it was thought he yould be incapacitated for further active ervice. He regained his health, however, nd was at West Point for several years fter the close of the war, and after his promotion to general officer went to the islands for the usual tour of duty. The departure of General Carter, who

will be accompanied by his son. Lieutenant W. V. Carter, as aide, will leave two vacancies at the local headquarters, as Colonel Davis, now chief surgeon, has been ordered to sail for the Philippines on February 5. He will be temporarily succeeded by Captain James W. Van Dusen, now at Fort Crook, but a permanent detail for the place has not yet been announced.
